DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN??

Dear children,

On the eve of the great meeting with My Beloved Son, today I remind you that the Sacred Chapel of the Marian Center of Figueira will fulfill a complementary task with the Chapel of Saint Michael the Archangel of the Marian Center of Aurora.

It is within this Chapel of Christ that My Son will leave His spiritual Presence so that all who venerate His Holy Image may receive the gifts, which, by Grace, will help in the new reconfiguration of planetary life.

The Chapel of Christ is the symbol of the spiritual refuge for the souls that will come to meet with Him and that will have the possibility of finding peace as an aspiration. The Sacred Chapel will be a precious portal for the liberation of the impure spirits through the fount of love and prayer that will be poured out by all those who clamor for inner freedom.

This Sacred Chapel will weekly have the blessing of the holy Ecumenical communion with Christ officiated there, and this will strengthen the union of souls with the King of the Universe. The Chapel may be a place for the source of inner aspiration and vocations, which will first be prepared within the consciousness.

At the same time, those who cross the doors of the Chapel and may remain in adoration to Christ will receive the spiritual impulse of consecrating oneself to the Sacred Heart of Jesus. The Chapel will also be considered as the inner temple for each soul that seeks the elevation of matter and mainly, the healing of life.

The presence of the angels will never lack In the Chapel, they will be the leaders and guides for the souls that deposit their moments of prayer and supplications there. Christ will have a space inside the Sacred Chapel; He will be calling the souls to dwell in the Temple of His Sacred Heart.

For this to be possible, the Most Pure Fountain of Saint Joseph will be the means that will cleanse the souls and quench the seekers of a true union with God. The Fountain of Saint Joseph will represent the reminder of the constant search for the original purity and for the humility that each spirit may achieve in order to concretize this inner and spiritual fusion with Christ.

For this, the Fountain of Saint Joseph will be your drink of Divine Water, that which will cleanse and purify the stains of the past, and that which will renew hearts. It will be important for the devotees and pilgrims to recite, before the Fountain of Saint Joseph, before being cleansed by the humility of the Chaste Heart, the following prayer:

Prayer for Cleansing the Soul

**O Sacred Fountain
that springs in humility
from the Sacred Heart of Saint Joseph!**

**Renew our lives,
purify our beings,
free us from all evil.**

Amen

In this way, dear children, you will enter the Chapel more purified, and you will be able to offer Christ the sincere result of your conversion and redemption.

The Fountain of Saint Joseph is the preamble for the entrance into the Chapel. The Most Chaste Saint Joseph is the Shepherd of souls, He is the Father of the essences of the world, of the essences that let themselves be conquered by His humble Love. He is the Worker who builds the new redeemed souls, to then deliver them into the Arms of Christ and thus establish the Kingdom of God in each being.

The Chapel of Christ will signify for each being the moment of facing one of the aspects of God: the Divine Son. In this way, in reverence and gratitude, each time you enter the Chapel, you will recite the following prayer:

Prayer for Being Before the Divine Son

**Sacred Heart of Jesus,
Glorified and Beloved Son,
have Mercy on us
and fulfill Your Perfect Work
through our beings
so that Your Powerful Light may reign,
now and always.**

Amen

In this way, dear children, each time you are before Christ, you will be before God. These two prayers may also be practiced by the pilgrims as a novena when they make a pilgrimage to the Marian Center of Figueira.

In the hope of redemption, I thank you for responding to My call.

On the eve of the divine consecration of the Chapel of Christ,

Your Mother Mary, Rose of Peace
