Message of the Virgin Mary, 2018, August 21, III

Dear children:

I am writing to you,

because I want to tell you that I am always with you, and I love you very much, and I want to be with you forever.

I want to be with you in every moment of your life, and I want to be with you in every moment of your death.

I want to be with you in every moment of your life, and I want to be with you in every moment of your death.

I want to be with you in every moment of your life, and I want to be with you in every moment of your death.

I want to be with you in every moment of your life, and I want to be with you in every moment of your death.

I want to be with you in every moment of your life, and I want to be with you in every moment of your death.

I want to be with you in every moment of your life, and I want to be with you in every moment of your death.

I want to be with you in every moment of your life, and I want to be with you in every moment of your death.

I want to be with you in every moment of your life, and I want to be with you in every moment of your death.

I want to be with you in every moment of your life, and I want to be with you in every moment of your death.

I want to be with you in every moment of your life, and I want to be with you in every moment of your death.

I want to be with you in every moment of your life, and I want to be with you in every moment of your death.

I want to be with you in every moment of your life, and I want to be with you in every moment of your death.
