Dear friends,

I am writing to you from the heart of the Virgin Mary, to tell you that I am with you in this moment of crisis.

I know that you are feeling sad and worried, but I want you to know that I am here with you, and I will be with you always.

I want you to know that I am with you in this moment of crisis, and I will be with you always.

I want you to know that I am with you in this moment of crisis, and I will be with you always.

I want you to know that I am with you in this moment of crisis, and I will be with you always.

I want you to know that I am with you in this moment of crisis, and I will be with you always.

I want you to know that I am with you in this moment of crisis, and I will be with you always.

I want you to know that I am with you in this moment of crisis, and I will be with you always.

I want you to know that I am with you in this moment of crisis, and I will be with you always.

I want you to know that I am with you in this moment of crisis, and I will be with you always!

I want you to know that I am with you in this moment of crisis, and I will be with you always.

I want you to know that I am with you in this moment of crisis, and I will be with you always.
