Message of the Virgin Mary, 8th day of August, 2020, 11:00 AM

Dear children, I am with you in this moment of uncertainty and fear. Remember that I am your Mother and I love you.

Do not be afraid, for I am with you. Stay close to me and to Jesus, and you will be safe. Trust in my love and in the love of my Son.

Remember that I am always with you, protecting you and watching over you.

Stay close to me, my children, and you will be safe.

I love you, my children.

Remember that I am always with you, protecting you and watching over you.

I love you, my children.

Stay close to me,

my children, and you will be safe.
