Message of the Virgin Mary, 11/11/2016, 11:11 AM

Dear children,

I am writing to you from the Virgin Mary, your mother and protector. I am here to guide you and protect you from all evil. I am with you always, in every moment of your life.

I am with you in your joy and in your sorrow, in your triumph and in your defeat. I am with you in every step you take.

I am with you in your love and in your pain, in your hope and in your despair. I am with you in every breath you take. I am with you in every thought you have.

I am with you in your faith and in your doubt, in your trust and in your fear. I am with you in every prayer you say.

I am with you in your strength and in your weakness, in your courage and in your cowardice. I am with you in every action you do.

I am with you in your wisdom and in your ignorance, in your knowledge and in your lack of understanding. I am with you in every word you speak.

I am with you in your peace and in your anger, in your calm and in your storm. I am with you in every emotion you feel.

I am with you in your happiness and in your sadness, in your joy and in your grief. I am with you in every moment of your life.

I am with you always, my children.

I am with you always, my children.
