Message of the Virgin Mary, September 10, 2022, III

Dear friends,

Today I want to tell you about the importance of prayer and meditation in our lives.

Prayer is a way of connecting with God and finding peace in our hearts.

Meditation helps us to focus our minds and find inner strength.

Let us pray together and seek the guidance of the Holy Spirit.

Remember that God is always with us and loves us very much.

Stay close to the Word of God and let it transform your life.

With love and affection, I say goodbye to you today.

God bless you all and keep you in His love.

With love, the Virgin Mary.

God bless you all!

With love,

the Virgin Mary.
