Message of the Virgin Mary, 2023, August 26, III

Dear friends,

I am writing to you today.

I, the Virgin Mary, am with you in this moment; 1,000 years ago, I was with you in the same way.

I am with you in this moment; 1,000 years ago, I was with you in the same way.

I am with you in this moment; 1,000 years ago, I was with you in the same way.

I am with you in this moment; 1,000 years ago, I was with you in the same way.

I am with you in this moment; 1,000 years ago, I was with you in the same way.

I am with you in this moment; 1,000 years ago, I was with you in the same way.

I am with you in this moment!

I am with you,

I am with you, I am with you, I am with you.
