

Impulses of the Divine Messengers

Phrases extracted from the daily messages of the Three Sacred Hearts

September 2024

Sunday

Immaculate Heart

1 A peacemaking heart is willing to go beyond itself, for the sake of good and peace in humanity.

8 Be like those fishers who were called on to launch nets to save souls.

15 Place your consciousness in the Heights, because there lies the solution and the response that you so much seek.

22 In your gratitude lies the key that will open all doors. In your effort lies the freedom for your souls.

29 My Heart embraces you, My Love supports you, because through you I help the world.

Monday

Sacred Heart

2 I am here. I am the Sun of God and I come to the world to illuminate this dark night, to remove from darkness all those who suffer the injustice of these times.

9 I am here. I Am the Sun of God. I come to give to each human heart the Love of My eternal Heart so that souls may not lose hope nor joy.

16 Today My Presence reaches the world through the Heart of the Lord and, with open arms, contemplates the planet and everything that inhabits it.

23 I come from Heaven as a Messenger of Peace, to bring hope to lost hearts, to bring peace to those who judge Me, to bring healing to those who most need it.

30 Live love, because humanity needs love, thus, you will attract peace, and in this way, the conflict on the whole planet will end.

Tuesday

Most Chaste Heart

3 May gratitude open the doors of Heaven; may Mercy attract souls that are in need of a new opportunity.

10 Constantly seek, child, the space and time for entering into a dialogue with God and creating a bridge between your heart and the Heart of the Creator.

17 Silence and quietness are two primary keys so that souls may achieve balance.

24 In prayer, find peace, but also the Purpose of the Creator for your little life.

Wednesday

Immaculate Heart

4 You will achieve the purity of heart that will always lead you to inner innocence through the truth of what you are.

11 When you experience a difficult moment, invoke the Power of the Blood of Jesus.

18 Build within yourselves, every day, through the prayer of the heart and acts of love, a strengthened inner space for God.

25 While the universe opens up before your eyes, never lose peace. My Peace will always comfort you and give you an understanding about these times.

Thursday

Sacred Heart

5 I am here. I am the Sun of God. And I come to the world to awaken healing, peace and renewal within hearts.

12 I come as the Sun of God, as the Sun of the Divinity, first to announce within the inner worlds the near coming of the King of the Heavens.

19 My Heart will be the Light along your paths. My Mantle will be your Peace, and My Cross, your protection.

26 I Am that Great Heart of the Universe that announces itself to all souls, bringing them renewal, transcendence and the transfiguration of their consciousnesses.

Friday

Most Chaste Heart

6 Let healing first touch your hearts; let everything be as it should be: according to Divine Will.

13 Seek the space and time to silence the heart and listen to the Creator, allowing His Impulses to flow over your consciousness.

20 Let it be God Who fills what is empty in your heart, and in this way, child, you will always find peace.

27 In prayer, find the answers you are searching for, but also intercede for souls unable to listen to God.

Saturday

Immaculate Heart

7 My children, no longer feel indignation. May the upset be transformed into hope, may the injustice that your eyes see be converted into compassion.

14 I ask you, My children, not to identify yourselves with that which is superficial, because even within religions there are errors and there is sin.

21 I invite you to embrace your own cross and carry it so that you may follow in the footsteps of the Lord.

28 Let My Light touch you, may My Peace heal you as often as necessary. May My Love liberate you and reveal to you who you truly are.
