

Christic Impulses

May 2018

Phrases extracted from the daily messages of Christ Jesus

Sunday	Monday	Tuesday	Wednesday	Thursday	Friday	Saturday
		1 Each little sacrifice made has greater proportions in Heaven, because each time a soul gives of itself, Infinite Grace touches a wounded heart to heal it.	2 Although it seems that time does not change in you and transformation is slow, remember that you are purifying yourself for those who participate in major offences.	3 To you and all who follow Me, I give My celestial Mercies to erase from your hearts any affliction, impediment, or limitation that may separate you from Me.	4 To all those who have closed doors, I will open them so that you may enter without delay into My Redeeming Kingdom.	5 A new humanity awakens in the South of the world. On the horizon, Aurora rises radiant, to open the cycle of purification.
6 Today, may there be penitence for the prideful, pity for the blind to self, compassion for the lost, mercy for those who do not come to Me, redemption for those who become lost.	7 The Infinite Love once achieved by My Heart on the Cross awoke Glory over the death to which humanity was moving, the death of the spirit of all of humankind.	8 I still can only count on few hands to help Me climb the mountain and uplift a huge number of souls separated from God. There will shortly be much to do.	9 Silence and mercy will allow you to discover what point you are at. The true act of silence is not just not talking; it includes your thoughts and feelings.	10 At each moment, I need faithful and dedicated servants of Peace and of Good who can be transmitters of My merciful spiritual impulses.	11 Be transparent of word, real in feelings, and clear of thought. May your intentions be My Aspirations; may your desires be My Will in your hearts.	12 As Light I am present within you and I open My Arms during the hour of Mercy to purify and heal your difficulties.
13 As Conciliator between Heaven and Earth, you will see the strength of My Merciful Spirit come duplicated in light, which will unite races, peoples, and nations again.	14 Seek Me, even in weariness, because My Love will give your consciousness vitality so that you can take your steps.	15 In this time of Mercy and of Pity, My Heart sees the effort of all the servers, because it is through them that I will place My Codes of Mercy.	16 Through the Chaplet to Divine Mercy, you hold in your hands the key to open the doors of redemption, of conversion, and of your rehabilitation before the One.	17 The path to My Kingdom is outlined by the prayers of all the faithful servers who during the hour of Mercy cry out in My Name.	18 May those most in need enter into My Trust, because I will give something precious to those who have lovingly followed each one of My Steps. The opportunity is for all.	19 Today, dear ones, place your gaze on this Source and see through it the reflection of your terrestrial lives, which through love and compassion I come to transform.
20 As from now, I am revealing to some creatures through christic impulses some of these veils that create separation between the spirit and soul of each being	21 To all those who because of love venerate My Sacred Eucharistic Heart, the Light of the Greater Kingdom descends to dissolve and pardon all irreparable faults in you.	22 My Heart wishes for precious souls who because of love venerate My Sacred Heart, for in them I will place My Spring of healing and of reparation.	23 If you take up the cross I give you, you may free the old cross of the past you carry, and which makes it difficult for you to carry the cross of redemption for humanity.	24 I come in Spirit, in Divine Consciousness, to announce to you that the day in which My Feet will touch Earth is close, and all that live in the world will recognize My Presence.	25 Something that is lacking in this world today, a world that God perpetually contemplates, is the living of the Love of My Heart, something important that humanity forgets.	26 Blessed are those who sacrifice for Me, working for My Father without pause or delay, for they will be called servants of the Most High God, Mirrors of My Mercy.
27 Let each fulfill their part and allow to be seen how My Consciousness is present in all the children of My Father, for I Am the Brother of all.	28 The currents will come toward humanity and My most willing and least fearful disciples will be who will give testimony of My Presence and of My coming Return.	29 Today I am present before precious souls who in their walking seek to meet Me every day of their lives.	30 Let no one miss the happiness of serving Me every days of their life, for at the end of the task in this world, I will recognize in Heaven the grandeur of their love for My Heart.	31 I want to see Suns lit from the heart, so that with humility they may illumine the obscured path that many of those of Mine are experiencing.		

Marian Impulses

Phrases extracted from the daily messages of Mary, Mother of the Divine Conception of the Trinity

Sunday	Monday	Tuesday	Wednesday	Thursday	Friday	Saturday
		1 Today I call on you to deepen in your path of prayer, for thus, dear children, you will be more uplifted in your hearts and in your lives, far from the temptations of the world.	2 As Co-redemptive Mother, I daily take you to My Son, because this world still deviates souls from the Purpose that God has earmarked for each little heart.	3 Dear children, those who are fallen, I will pick up. Those who are sad, I will make happy. Those who have lost hope, I will give hope. Those who suffer, I will alleviate.	4 If you are in My Son and worship His Heart, you may take the steps toward the times that will come for the world.	5 When souls open to respond to My call for peace, the Will of God manifests itself in everything that is creation and life.
6 Know, children, that on the path of prayer, your hearts will draw closer to the consecration of your souls before the Kingdom of God.	7 The enemy is active and continues in the goal of blocking My Plans of Peace. While in My Immaculate Heart, you will be unaffected, because you will be under My Protective Mantle.	8 A true act of communion with the Merciful Heart of Jesus begins in the absolute trust of each one of you.	9 Know, My children, that in My stars you will be able to see the new dawn, the long years of peace, the promise written in the Heart of God for all of My children.	10 My children, today I give you this key of the humble spirit so that it may be the real reason for renewing your lives in prayer and in the giving of self to God.	11 Children, all hearts without hope may find a new Light, which comes through Me as help for the world, prepares you, and takes you toward My Son.	12 Dear ones, I Am only a Messenger of Heaven that wants to help you to see and to find the path that many lost through ignorance or through withdrawing from the Will of the Father.
13 On this path that you are now travelling, My Universal Light can assist many of My children who must achieve a state of peace.	14 I accompany you today, as I have done for quite a while, in this definitive cycle for the life of My children in the world.	15 Your hearts must be in prayer, awake to the real need of the world, so that your eyes, the eyes of souls at the service of God, may recognize the Presence of My Son in you.	16 In spite of everything, My Message of Peace and of Salvation must reach the world because humanity will need the keys of Redemption in this time of profound changes.	17 One who does not live the conversion of life, how will they endure the changes that will come for the purification of souls?	18 Through the Flame of the Holy Spirit you will be closer to God. For this reason, feel this Flame and think of it as a banner of wisdom and of prayer.	19 With the prayer full collaboration of your hearts, you will enter the Merciful Plan of Salvation, and thus, be participants in the Redeeming Plan of My Son.
20 In the face of any event in the world, you must radiate absolute peace of the heart, which is born in My children through My Immaculate Heart in your lives.	21 The good and simple example of surrender to Jesus will allow you to shine like stars during the nights that will come to purify in this absurd world.	22 The compassionate ears of God are attentive to the prayers of pure hearts that, in these times, think of the salvation of all.	23 Pray every day with the loving voice of the heart, and in this way, dear children, you will be responding to the call of God.	24 Open your consciousnesses so that the Source of Graces that is assisting in most of humanity may be able to be drawn closer to your hearts as a Gift of Peace and of Light of God.	25 Your lives must be examples of brotherhood and of charity so that this message of the giving of self may be transmitted to those not yet living absolute service to the Creator.	26 You are already under My Mantle, but now the other children, those most distant from Me, should also be under the Redeeming Light of Jesus, Infinite Light of the Father God.
27 I know the weight and the magnitude of the cross of each one of My children and I want to relieve you, so that, with free hands and arms, you may joyfully run towards God.	28 The harmony of your hearts, together with the daily act of prayer, helps to dissolve the great evils and suffering that many souls experience.	29 Dear children, through prayer of the heart, you will be able to be My messengers, which will communicate to all what My words daily dictate to your hearts.	30 Beloved children, the most loving act of reparation of all errors committed against the Universe of God is prayer and the fraternal giving of self for others.	31 The soul that prays will live the promise of the future Heavens coming to assist humanity. The soul that prays will know the Holy Spirit, for God will protect it with His Love.		

Impulses of Saint Joseph

May 2018

Phrases extracted from the daily messages of the Chaste Heart

Sunday	Monday	Tuesday	Wednesday	Thursday	Friday	Saturday
		1 Do not lose your Peace, a foundation for the maturing of faith.	2 Do not lose your Peace, the unshakeable fortitude of the meek.	3 Be Christ's peacemakers, so that you may thus establish His Kingdom in this end time.	4 Through effort to control the word, the verb, the most powerful vehicle of creation used today by humanity, you will control the energies being purified in your consciousnesses.	5 When you perceive a control of the word in yourselves, you can observe the lack of control that exists in everything, and find a more sure and harmonious path for transforming.
6 Today I want you to understand silence as a valuable tool for the end times, something vital and necessary for those who aspire to remain firm.	7 Seek for real silence, the result of understanding the inner need of persevering on the path of God. Do not seek muteness or the rigors that distance your souls.	8 A new cycle approaches the Earth for the human consciousness and for the consciousness of the planet, the spirit of the Earth that shelters, welcomes, and lovingly sustains you.	9 That cycle that will come will impel you to offer your real potential to the Divine Project of the Earth, and will help you purge the degraded codes from within yourself.	10 Let the Kingdoms of Nature no longer be the only supporters of the planet, but rather let there be conscious human beings offering the maximum of themselves for the Plan of God.	11 In the Project of the Lord, when creating this world, God was thinking of a living expression of fraternity and unity among His creatures, no matter how different they were.	12 The Creator tried to make the Earth a school of love and of evolutionary cooperation, so that each Kingdom would provide the other with something vital for their existence.
13 The Human Kingdom should be contributing special harmony and love, so that, as humanity, it may inspire the evolution of the rest of the Kingdoms of Nature.	14 It is up to the Human Kingdom to be a bridge of communion among all Kingdoms; the one that cares for, shelters, protects, loves, and help each Kingdom so that it may express.	15 The Human Kingdom should create the conditions for the devas and the plants to express their beauty; for the minerals to nurture and assist the other Kingdoms of the world.	16 The Human Kingdom should be the bridge to Divine Consciousness so that Creation never be halted, and the Kingdoms continue taking evolutionary steps in their spiritual schools.	17 After eons of time of experiences without the expected result, Creation will give a solar impulse to humanity and to the Kingdoms of Nature as a last opportunity.	18 Be simple of heart, so that in that simplicity you may discover the grandeur of all things.	19 Be simple of heart so that celestial mysteries are not inaccessible to you; for in your simplicity, Divine Wisdom will be within your reach.
20 Be simple of heart, so as to learn to be humble. Through simplicity, accept graces and adversities as a unique Gift of God, according to Higher Will.	21 Be simple of heart, so that your mind may also know simplicity and be able to flow in the rays of the Will of God and live according to what universal Laws indicate.	22 Be simple of heart, so that transition may take place within you not as a punishment, but rather as a great opportunity for you to finally be what God expects.	23 Be simple of heart, so that life may be a gift for you and death may be the beginning of an even greater gift. In this way, there will exist no fear within your consciousness.	24 Be simple of heart, so that for you, comfort and suffering may be vehicles of the providence of God so that you may fulfill your part in His Plan.	25 Be simple of heart, so that prayer may be a service, so that service may be prayer, and so that service and prayer may be life, and life may be service and prayer.	26 Be simple of heart, so that in the over-elaborate you may find simplicity, and in simplicity, all the riches and the over elaborations that your mind seeks through its own nature.
27 Be simple of heart, so that God may use you as He needs, and can count on you as a full-time server, at any time, in any place, and for any mission.	28 Be simple of heart, because in simplicity you will find the answer to all of your questions. In this way, you will discover that within you dwells That One Who is in all things.	29 Seek in yourself that which you are looking for in the distance.	30 Happy and blessed be the simple of heart, for they will inherit the wisdom of God for the emergence of the New Race.	31 You must hold on tightly to humility to ask for help and allow yourselves to be guided. And you must also hold on tightly to fraternity, when you have to help others.
