2 May consecrated life represent, to all those who follow this path, the beacon that illuminates the night on the face of the Earth.

3 The time of the Return of the Lord will come, when the chosen, the persevering and the truthful will have a part with Me in the Kingdom of the Heavens.

4 Through My silence, I come to lead you into a state of prayer, a state of supplication for the planet, for humanity and the Kingdoms of Nature.

5 May My Love dissolve your anguish and agonies. May My Heart raise and strengthen you, because I Am your Mother, the Mother of God, the Queen of Peace.

6 On the path of the desert, My Rays will illuminate the dark pathways that you may find within your own consciousness.

7 Through My silence, I come to teach you to pray in silence, to observe your own inner world and know how to find the Celestial Father within it.

8 For the Kingdoms that suffer in silence, that are massacred and sacrificed without awareness of what is truly happening, My Heart is present.

9 Pray with fervor, and, in a true commitment, be together with Me in this fierce spiritual battle.

10 Remain in neutrality, so that you may know how to act according to the Law, because if you are within the Law, it will always protect you.

11 Silence, children, reveals to human beings their creative potential, their potential to open doors and unite dimensions.

12 I am praying for all needs, for all hearts, and for all causes. But now is the moment for each one of My children to do their part.

13 In each fall, a learning. In each learning, a choice. In each choice, a path. In each path, a destiny.

14 Silence balances the chaos in the world, balances the disorder of souls, the disorder of inner purification and the harassments of the enemy.

15 I invite you, My children, to be this Light in the darkness, this Light that My Son invites you to be a part of, the Light of His Divinity, the Light of His Spirit.

16 May the Divine and Unfathomable Mercy of the Redeemer help you, at this moment, to stay in peace, a peace so necessary and urgent for the inner worlds.

17 In each decision, a test. In each test, a challenge. In each challenge, an opportunity to mature. May the Christic Spirit mature within you.

18 Seek to understand the pain and misery of others, to pray for your brothers and sisters, to love your enemies, to serve the selfish, to be humble before the proud.

19 Live each cycle with your spirit filled with gratitude, with your heart ready for an even greater new step.

20 May the Christic Spirit give you strength every day to cross your own desert.

21 There is a Divine Gaze that sees all, that reads the hearts of His creatures, contemplates the deepest intentions of His children.

22 Live each stage always looking toward the Heights, and there the Purpose of God will be, guiding your lives.

23 Trust in My word of Love and, even more, trust in My mysterious and consoling silence, because it is there that I sustain your cross.

24 May the Love of My Heart show you that it is always possible, because it is a matter of willingness.

25 May the Peace of the Heart of Christ permeate the hearts of all those who cry out for relief and hope.

26 Seek the purity of your hearts, seek union with life and nature.

27 May calm, peace and serenity fill your spirit and consciousness, so that you may learn to walk through your own desert, without agonies or guilt.

28 Cry out, little soul, for your sister souls who sleep in the illusion of this world.
