

Marian Impulses

July 2018

Phrases extracted from the daily messages of Mary, Mother of the Divine Conception of the Trinity

Sunday	Monday	Tuesday	Wednesday	Thursday	Friday	Saturday
1 To be fraternal is a path that you must build day by day, and to do this you must emanate loving patience for your fellow beings.	2 My children, the path I intend you to travel is an infinite and precious path toward the Heart of My Son.	3 Feel the union in your hearts, so that you may be participants in the new spirit of peace that My Immaculate Heart is emanating to the world.	4 It is important, dear children, that you be what God wishes of you in this time. As instruments of the Father, carry My Peace today, for there are still many who do not have it.	5 Never forget that your hearts must day after day light the Marian fire that My Heart radiates to you through the daily messages.	6 Do not fear the tests of life; strengthen your hearts through prayer so that you may see the Light of God.	7 It is time for the groups of prayer consecrated to the Light of My Immaculate Heart to pray more for peace, for the true peace that comes from My Son.
8 It is important that your hearts revere the Creator, My Son Who will return, and the Holy Spirit; for thus you will be in the Great Spirit of the Most Holy Trinity.	9 The Fount of Mercy of Jesus is poured out over the world. It is enough that more hearts believe in this ministry of My Son for Grace to descend over humanity.	10 I ask that you be strong in the prayer of the heart, so that Celestial Grace may convert and restore all that with which humanity offends God.	11 As prayerful beings, you already know that humanity is divided before God because of the lack of true charity toward fellow beings.	12 My children, wake up on this day and see with the eyes of the heart all the goodness and the Mercy that My Son is giving you through the Mother of Peace.	13 Place all the Kingdoms in your prayers today; they expect a harmonious giving of self from you. In the name of the Love of My Son, let us restore all that needs restoring.	14 If only humanity would stop and think about whether they are on the true path of God, many consequences of the Law of the Universe could be stopped.
15 Christ, Who has risen before the eyes of the world, is Who will return as the Good News for the present time. It is important that you prepare your hearts right now.	16 Stand up, My little ones! It is the time for the conversion of the heart! It is time to open the Doorway of Heaven through prayer!	17 Know, My children, that in each act of reverence you will be praising God and will be a part of the harmony that the world so needs because it has forgotten to revere the Creator.	18 I want to awaken my soldiers from their sleep, so that all souls may serve their peers through prayer.	19 The Lord God the Father promises a Fountain of Graces for all those who hear His Voice emitted by His Favorite Son and His Faithful Servant of Nazareth.	20 My children, it is time to sustain holy prayer with firm hands and multiply it for the good of the world.	21 Today I call on you to practice humility of the heart through daily prayer, which will cause you to find the peace and meekness needed to live these times.
22 Dear children, do not waste any more time; as the Mother of Eternal Love, I invite you to reflect upon this current definitive time that you are experiencing.	23 With harmony, as a generous Mother I daily seek to correct your lives, so that you may find the only Celestial Doorway that will take you to the Feet of God.	24 Dear children, open the door of the heart so that My Immaculate Light may fill you and impregnate you with the Presence of the Holy Spirit.	25 With My Immense Maternal Heart I ask you: pray, pray, and pray!, so that every day all may become closer to the Will of God.	26 Through Christ, My Son, I invite you to become aware of your lives here on Earth, and of how much, through surrender and love, you can collaborate with the Plans of God.	27 The reason for My words today is so that your hearts may celebrate with Me because the Celestial Plans are manifesting themselves in the heart of all those who hear My call.	28 It is time to restore the great causes that have distanced souls from God. I come to each one of you as Mediator and Mother of Jesus, the Redeemer, your Savior.
29 An immense number of souls that move on paths contrary to those destined for their lives await the prayers of all those consecrated to My Immaculate Heart.	30 It is important that you be in a constant state of prayer, for this will cause you to recognize with great clarity and wisdom the true and next inner path that is to be travelled.	31 Dear children, do not tire of praying; constantly raise your prayer on High. Attentive to your pleas, God will respond to you. Trust in this, love Celestial Will.
