September 2018

Phrases extracted from the daily messages of Mary, Mother of the Divine Conception of the Trinity

Sunday	Monday	Tuesday	Wednesday	Thursday	Friday	Saturday
						1 When your hearts open, the Eternal Paradise comes to you and the seven Gifts of the Holy Spirit descend to merge in the depths of your spirits.
2 As Mother and Defender of Peace, I come to remove the blindfolds from the eyes of My children, which have darkened their heart and brought spiritual death to their soul.	3 Many of My children of the world live for themselves rather than for God; and thus in their lives they find loneliness, abandonment, and lack of love and inner faith.	4 Those who practice prayer will be safe and their houses will become like Noah's Ark. Thus, their homes will be living temples amidst the tribulation of souls.	5 My children, I come to ask prayer to all of you. If the response is low, you will see the results of human degeneration. Pray with Me and do not stop.	6 Sacrifice is an act of surrender, and at the same time, of liberation. Through sacrifices, the Universal Laws act, and what seemed impossible to reverse, changes.	7 A great sacrifice that the world could make is to stay in silence so that all may understand how human life is out of control and violent.	8 Listen attentively to My words and only believe in what your Heavenly Mother dictates to you daily. My adversary will use half-truths to confuse those who pray.
9 To establish the Mercy of God, each soul must do its part. If you drop the requests for prayers, humanity will have to face a great spiritual test.	10 Today I have come to ask you to continue to pray the Holy Rosary every day, because thus, as I said in Fatima, the anger of God may be appeased through loving prayer.	11 It is for this special reason of salvation that your Mother suffers from sorrow and ingratitude, and the feelings of damnation are transmuted by the instruments She chose.	12 My children, do not fear the things of the world; the time has come for you to be My true servants of prayer; thus at least a part of humanity will not perish.	13 Each one of you is called at this time to protect and care for the spirit of family through good habits, fraternal acts, and expressions of universal Love.	14 Child, if you hear the voice of your Celestial Mother, it is time to surrender before God. Do not wait for any learning experience to become insurmountable for your spirit.	15 The world does not know the power of the Universe, does not know the descent of the Law on the Earth; thus I come to try to have humanity not self-destruct again.
16 My spiritual wish is that every day there be souls in prayer that are capable of helping to modify the happenings that humanity itself generates through ambition.	17 In the face of the seriousness of the times of Armageddon, I hope that My children who pray never lose the inner impulse to please and alleviate My wounded Heart.	18 Humanity contemplated its errors after the Crucifixion of Jesus and even more after the Resurrection. And in spite of this, only a small part recognized the call of Christ.	19 My beloved children, you must be collaborators in a magnificent work that is being done through your essences rather than through your skills.	20 I come every day to ask prayers to all of my children, for it will be through your true offering that the Celestial Father may pour Mercy into the hearts most in need.	21 Children, I wish to have you in My arms, I hope to see you ready to begin to tread the path to a complete consecration of life and of the spirit before the Eyes of the Creator.	22 Every day, through praying the Holy Rosary and through an inner effort, you will find the path toward the Original Purity which each being holds in the depths of their soul.
23 Children, the spiritual adoption of a child from the Middle East in your prayers will allow the angels to intercede in the loneliness and outrage that My little children suffer.	24 My plans, through your praying hearts, will try to assist and rescue the greatest number of essences that are continuously suffering.	25 In this time, souls seek for happiness in their fellow beings, and although that human love exists, true happiness is found in the Heart of God.	26 Many are already prepared to work on the expansion of this Project of God: the redemption from the modernities of the world through the Divine Message of the Sacred Hearts.	27 The day and the time will come when the apostles of My beloved Son will become the guardians of the spaces and caretakers of the Sacred Centers of all the shrines of the Earth.	28 My children, be messengers of peace through good acts, because most souls become lost through not finding the path of peace that I show them.	29 In these times, My beloveds, you will see that the world will be quickly purified; this is not a punishment of God, it is the time to truly experience a change in consciousness.
30 I am the Lady of the Path and on My paths are all My disciples, who will help the rest so that they feel reassured in following the one Path of God.
