"The Rosary of the Holy Virtues of Saint Joseph, something that will give an impulse to souls to live the attributes of the Chaste Heart, inner impulses that will come directly from the Holy Servant of God at each moment this sacred rosary is prayed.

Saint Joseph commits Himself to helping the human heart that will pray it, and thus be able to sanctify its life, in the same way that Saint Joseph sanctified His consciousness. This Rosary will offer everyone the possibility of again drawing to themselves the principles of the Christianity of Saint Joseph and of the Sacred Family.

This Rosary will also help awaken the consecration of souls to the Most Chaste Heart of Saint Joseph. And through this act of union with the Divine Spirit of Saint Joseph, hearts will reach the Celestial Kingdom and will be able to feel it close to the planetary life.

I invite you for nine days to practice and feel this Rosary in the depths of your hearts, so that Saint Joseph may work in your lives".
