MESSAGE FOR THE SPECIAL APPARITION IN THE CITY OF SAO PAULO, BRAZIL, TRANSMITTED BY THE MOST HOLY MARY, THE SOVEREIGN STAR OF PEACE TO THE VISIONARY FRIAR ELÍAS

In the dawning hours of the 16th of February I come from Heaven so that, before My presence, your hearts will be healed and redeemed under the Love of God.

I want on this night to show to the world that one of the stars of the universe, the most humble and sovereign, descends from the firmament so that, through the Divine Word and the Eternal Love, She may illuminate the paths of those who say yes to God and of those who deny and dismiss Him.

My Sacred and Immaculate Heart is made present, in the beloved city of Manaus, to pour special Graces over the hearts that seek the relief and the healing for their profound inner wounds.

The Sovereign Queen of Peace approaches the most simple and humble, to show all Her Love and Gratitude for the answer given to this important call.

And despite the fact that two of My messengers of Earth, Mother Shimani and Friar Elias, today are not present among you so that they may resonate My sweet voice in the four corners of the Earth, the always Virgin Mary, the Sovereign Star of Peace, through the power that God has given Her will bring to this place both hearts, so that you may feel that My Work is accomplished in omnipresence and prayer.

The Sovereign Queen of Peace wants to ask of you prayer for the visionaries and for all the good Christians that follow in the whole world My Work in the Americas. But the most important is that My Son Jesus has asked Me in Heaven to return to the Amazon as I have been doing continuously, through the Sacred Face of the Lady of the Rosary and Peace, to other children of Mine from this precious region.

I want that your consciousness may be united with My greatness and love for all, principally in the devotion of all of you for the wise mysteries of God; in this way I want you to know that My Sacred Maternal Heart appears in Glory to different children of Mine.

My dear children from Manaus, the Lord is joyful in His Mercy and Piety for your inner opening, for this I want that those children who have never known Me, may get to know Me.

During one of My last Apparitions to the visionary Friar Elías, I asked him that on the day of the Apparition in Manaus that there be on the altar, that honors My Sacred Maternal Consciousness, an image of the Lady of Guadalupe. I want and I wish to leave through this the Guadalupean message of union among the races and the hearts, as it was in the past through Juan Diego.

The Divine Indigenous Consciousness must be rescued, for this the encounter of today with Me has the spiritual and divine reason of impelling you to live the prayer of the heart for all the brothers and sisters of the original peoples, that will also in this time need the Love and the Mercy of God.

To all those who pray and who do not pray, I call you to pray with the heart the Sacred Devotional to the Heart of Jesus for the Indigenous Consciousness so that, in the final times, the plans of God may be accomplished upon these precious indigenous consciousnesses.

Dear children, the Virgin of Guadalupe is the feminine and maternal presence able to protect and help the paths of the sacred peoples. My Heart wishes also that the original peoples be consecrated to My Immaculate Heart, in this way many situations will be avoided and Jesus will establish His Kingdom over all.

I give thanks now and forever to the prayer groups of the northeast of Brazil for having answered to My call!

I love you always,

Your Mother Mary, Sovereign Queen and Star of Peace
