**SPECIAL MESSAGE OF CHRIST JESUS, TRANSMITTED DURING THE A 6th MARATHON OF THE DIVINE MERCY, IN THE MARIAN CENTER OF AURORA, URUGUAY TO THE VISIONARY FRIAR ELÍAS**

It has been a little more than two thousand years of your time since the Great Star of Bethlehem guided the path of the initiated Magi Kings, those that received the original blessing from the Son of God.

This special encounter in Bethlehem with the Saints and Wise Kings of the Spirit marked a before and an after in the life and in the evolution of humanity. They prepared from the heart the glorious coming of the King of the Stars.

The kings that arrived from different parts of Middle East and the Far East were more than three. I remember that My Beloved Mother Mary, when I was only six years, old told Me that the Holy Kings had been sent by the Spirit of God to anoint, by means of the sacred offerings, the Son of God.

It was in this way that in that time the Kings reopened the path of healing and of spiritual redemption of all the lost humanity. In truth they were the ones that prepared the path for the Messiah together with the mission that John the Baptist fulfilled.

Many of the hearts in that time, many of the souls, were blessed by the loving action of the kings and as good and humble initiated ones, they sustained the Plan that God wanted to implant since the birth of Jesus.

Also, on that night the shepherds of Bethlehem received the visit of the Angel of Peace, the one that announced the Glory and the Salvation through the birth of the Messiah. Mary and Joseph, rejoiced by the Holy Spirit, were taken in the inner levels before the Altars of the Creator. Even though it had been only a few days since My Sacred Mother had given birth, She was crowned and blessed by the Spirit of God.

Today I reveal to you this mystery because in this year that begins My Merciful Heart will come to search for the new apostles. It is already time to open the doors for inner liberation and for the path of peace.

Imitate the sacred example of the Holy Kings of the East because it will be necessary to rescue reverence and the sacred in humanity. I thank all of those that are present for sharing with Me these days of prayer and of peace for humanity. God is happy for your efforts.

Who loves you always and protects you,

Your Holy King, Christ Jesus
