Daily Message of Mary, Rose of Peace, transmitted in the Marian Center of Figueira, Minas Gerais, Brazil, to the visionary Friar Elías del Sagrado Corazón

Confession is one of the main Sacraments of faith and hope for souls because it presents reconciliation as an act of communing again with the Eternal Father.

Confession is something My Son taught His apostles so that souls throughout time would have a means by which to free their hearts and lives.

Confession, done with the heart, brings knowledge and awareness of past events, seeking the path for not repeating them and strengthening inner maturity and faith within consciousnesses.

Confession is the way and the means through which the soul speaks through the heart with Christ and thus, confesses its faults to the universe.

Confession is not an act for becoming intimidated but rather for inner liberation, which is exercised through the intercession of a priest, a ministry granted by Christ Himself.

Confession is based on the guidance of the Holy Spirit, which brings the renewal of all Sacraments experienced by the consciousness in your life.

I thank you for responding to My call!

Who unifies you,

Your Mother Mary, Rose of Peace
