DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

To the priests of the Americas and the world, favored children of the Most Holy Mother

Unite in heart and in the essence of Christianity, and have My call of Peace propagate all over the world.

Do not spend your time slandering My Name or talking about whether or not I am truly present with you or in your peers, whom some of My favored priest children persecute.

I am calling on you to be peacemakers with all beliefs and to care for the flocks of My Son. Do not allow the discord of My adversary to enter into your minds and be stronger than the love and the faith that move mountains.

Some of My favored priest children do not perceive that they are neglecting My Church, that true Temple you must protect and safeguard in each heart, as shepherds who were called by My Son.

Persecution among members of My Holy Church is very great, and also beyond this; do not allow the Sacred Heart of My Son to lament or be saddened; embrace your cross with love and do not make the cross of your brothers and sisters heavier.

I need you to look beyond yourselves, your ideas and your purposes, in some cases destructive.

The Work of salvation and of faith that your Heavenly Mother performs in this time, outside of the old Church, is so that you may learn beyond everything to embrace the purpose of conversion of all hearts.

Watch your actions so as to not fall into temptation, as some already have, generating human contention and division among souls.

Do not cling to the things of the world; let your priesthood be of value and entrusted every day to the Work of the Redeemer.

We are already in the time of unifying the Church with all those who in some way seek the Love of My Son, because what matters in this hour is that the angels lead souls to their redemption and conversion.

My Son taught you how to do it and it is not through twisted words, which make souls doubt the path they must travel.

My Holy Image is finally honored outside of My Church, for if at one time your Heavenly Mother fled to Egypt, because of the imminent danger of King Herod, it was to not only protect the Work

of the Sacred Son, but to also allow Egyptians to feel in their depths the loving power of My Motherhood.

See, in this simple example, how always throughout time, I am calling all the sheep of My Son to lead them through the same portal, the portal of Love.

Do not, My favored children, let the flame of your faith go out because of your judgments or comments; the Lord expects to find you united with each other, in the greatest respect and love, and this also must be outside of My Church.

Thus I come to free you of your sins, so that My Son may give you absolution and you repent in time; in this way, you will renew your vows, and with Faith and Mercy, you will give everyone the Holy Sacraments to awaken love and salvation in their souls.

Occupy your lives with the sacred office, and just like the apostles gathered together in the Cenacle, obey the guidance of your Heavenly Mother.

I desire the best for each child of Mine, I aspire that peace not be lost among the priests of Christ and the people through the work of My adversary.

We are already in the Apocalypse, and I want to guide you, so you experience kindness and compassion for others. No longer persecute the sheep with your judgments nor waste time showing them your consecrated countenances for defamation and public revolution.

I love you and want you to help Me institute peace.

I thank you for taking in My sacred and last call!

Who unifies you,

Your Mother, the Virgin Mary, Rose of Peace
