MESSAGE FOR THE APPARITION OF MARY, MOTHER OF THE DIVINE CONCEPTION OF THE TRINITY, TRANSMITTED IN THE MARIAN CENTER OF AURORA, PAYSANDU, URUGUAY, TO THE VISIONARY SISTER LUCÍA

Blessed shall they be called in the Kingdom of the Heavens who on Earth cause the seeds of life they received to blossom.

Blessed are those proclaimed in the Kingdom of the Heavens who in life suffered the difficulties of the world and with joy, knew how to surpass the obstacles so as to cross the threshold to a new race.

Blessed shall they be known in the Kingdom of the Heavens who strove until the end of days to overcome material codes and institute divine codes in their being.

Blessed shall be those who today are self-summoned to serve in an army of peace, and untiringly, trust in the Woman Clothed in Sun, Who holds them in Her arms and in Her Mantle of Light.

Blessed shall be in My Kingdom those who are already blessed on Earth, for they have known the Word of Life, loved It, expanded It and pronounced It, so that It echoed in all the hearts of the world.

Blessed shall be those who are before My eyes, who recognize My Presence and the Divine Presence of My Son, without fearing the judgments of this Earth.

Blessed before God the Father will become those who today mature in silence the fruits of salvation and with valor, grow in faith and in love for the Plan of God.

My children, those who are imperfect today, if persistent in the Divine Purpose, will be My blessed of tomorrow. For they will accomplish the Plan of God without perceiving it, and even though it may many times be in the secrecy of their own inner world, they will cause a new race to blossom in the image and likeness of God, of His Divine Love and Unity.

All efforts made today will culminate in the glorious victory of tomorrow. For this reason, do not look to the past nor dwell on what you are today, but rather place all your faith and trust in the promises of the One Who is perfect and Who promised that, in those who give of themselves from the heart, He will carry out miracles of transformation and of eternal conversion.

Allow yourselves to see through My eyes and feel through My Heart; in this way, you will find the perfection that sleeps within each being, and with Me you will be able to see the birth of new suns, which will shine beyond this Earth.

My little ones, I come to the world to cause you to awaken and to give you all the opportunity to change and redeem the past, transforming it into a present of Glory in service to the Most High. For this reason, simply open your hearts and your consciousnesses and, in this way, the Messengers that descend from Heaven at the request of the Great Lord, will work in all the spaces of matter and

of life on Earth.

You may not trust in what you know about yourselves and may find it hard to believe in the transformation of matter that is so corrupted; but your trust should not reside in yourselves, but rather in God and Those that come before you and Who descend from the Throne of the Creator with a Purpose sent by Him for His creatures.

God knows each one of you perfectly and knows the hidden potential that you must develop. Thus, simply say 'yes' daily, and like good children, allow yourselves to be led by your beloved Celestial Mother.

May the Child King, born into your essences, now grow without stopping, and mature the divine life that is born on Earth.

I love you and I lead you, causing the Power of the Spirit of God to grow in your hearts.

I thank you.

Mary, Mother of the Divine Conception of the Trinity
