**DAILY MESSAGE OF SAINT JOSEPH, TRANSMITTED IN THE CITY OF PALERMO, SICILY, ITALY,
TO THE VISIONARY SISTER LUCÍA DE JESÚS**

The Son of Man, in His time, came to the world to renew His Church and the scriptures. He came to manifest the laws and expand them; He came to bring to life what were merely words in the mouths of men who were respected and said to be wise.

Today, children, the Son of Man will come again, outside of His Churches. And in the imperfect, as the fishermen chosen by Him, He will rebuild and expand His Gospel. And again they will be slandered and persecuted, again they will be understood only by the pure and open of heart, and rejected by those who fear to lose their false power and glory in this world.

Christ returns in spirit to prepare for His physical, mental and spiritual return to this world.

To His companions, He simply says: *"Do not fear, but rather love, and overcome fear with the power of this Love that, in spite of having been revealed to you more than two thousand years ago, is still unknown to many."*

Be instruments for the renovation of the Church of Christ. Let His Celestial Church remove the structures of what is old and dirty so that humankind may again be washed by His Celestial Love.

The pure of heart will unite, in spite of their beliefs and religions. The truth of the return of Christ will speak louder than the shouts of the doctrines of human beings. The strength of the love and of the unity among them will sustain them and create the bridge for the return of the Lord.

For this reason, simply love, be peace-makers and be true. This will be the testimony of the presence of God among you.

Your Father and Friend,

The Most Chaste Saint Joseph
