DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE CITY OF BRASILIA, DF, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN

Children,

Today I bless you all in the name of My Son because in truth I say to you that it will be through Him that you will find the way out and the immediate solution for your issues of the material life.

There is nothing more special than to live in the Love of the Kingdom of God, because in the journey of this pathway are found the master keys for transformation, which are the keys for purification and for redemption.

You, following with obedience the path that My Son indicates to you, will be able to discover in time each aspect of life that needs rehabilitation. For this reason, I come everyday from Heaven so that your lives may be able witness the transformation that My Immaculate Heart has made in each one of you.

My little ones, now, with the gaze on the horizon of the rebirth of hope you will find the needed inner strength to go ahead. Today I say to you, children of Mine, that each one of you is a part of My plan of redemption, a plan that prepares the next coming of Christ to the world.

And if your hearts give true testimony of the love for My Son, you will have the possibility that your souls may be led to the discovery of the spiritual mission. Everything that may happen in your minds and hearts are states and times of purification. For this, offer it with love to the Eternal Father so that He, in His Supreme Glory, may take pity on all of those who do not want to listen to His last call.

I bring you the opportunity of carefully reconsidering your own actions. For this, as your Heavenly Mother, I promise you to always show you the truth so that you may grow up in humility and in faith.

I thank you, children, for having answered to My call in Brasilia!

A new light has awakened in the simple and fervent hearts.

Who unites you to the cenacle of the Heart of Jesus,

Your Mother Mary, Rose of Peace
