DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE CITY OF MONTEVIDEO, URUGUAY, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN

My dear children,

On the eve of the Annual Feast of the Divine Mercy, a holy day on which you are in cenacle and prayer, I desire that you spread to all My children the importance of living the day of Divine Mercy that My Son instituted for the world.

Children, I come for all, for the sinners and the faithful, for the conscious and for the ignorant of heart; I come in the name of My beloved Son for all humanity.

The day of the Feast of Mercy will be dedicated, in a special way, to all of you and to all those of My children who participate in that day. From wherever you are, if you receive communion and ask for forgiveness, making an act of reparation and devoutly praying the Chaplet of the Divine Mercy, you will be absolved of the grave debts that have kept you prisoners of involution and in this way, you will regain a spirit of faith and inner strength for the times to come.

Those children of Mine will have the Grace to spiritually help their families and loved ones through the act of Communion on the Day of Mercy; and My Son, from His Kingdom, will impart a Grace of salvation, never seen in the last 50 years, to all sinful souls.

Why is it important for everyone to celebrate the Day of the Divine Mercy with Me?

Because, by making it conscious in your lives, you will allow attributes such as redemption and conversion to touch the hearts of non-believers and, above all, the sinners and unjust to receive the ultimate lifeline of salvation, which will be the Divine and unfathomable Mercy.

The universe is preparing and so are you, and the angels will pour out the gifts upon those who receive communion on behalf of all.

During that day there will be a universal atonement through the Mercy that Christ will pour out upon the world and upon the souls who especially celebrate that day of glory and of spiritual resurrection for all.

For this cause, I wish that on April 13, at the Marian Center of Aurora, two altars be erected representing the Merciful Jesus and His Divine Mother. In honor of the victory that My Son achieved, I desire that you place garlands of blood and water color, and decorate not only the altar, but also the room where Jesus and Mary will descend on April 13 to give a special blessing to the world and a centennial atonement for all the debts committed against the Sacred Heart of the Celestial Father.

If My children unite in effort and love to prepare the house for their Lord, the angels will understand that they will be able to work extensively upon the planetary consciousness.

On the Day of the Divine Mercy, your God will be attentive to the supplications and intentions of all His Children. Thus, you will be able to enter the ocean of Graces and many possibilities of awakening and repentance will flow from the hearts.

Dear children, we wait for you all on that day.

I thank you for responding to this important call!

Who prepares you for the Day of Mercy of your Lord,

Your Mother Mary, Rose of Peace
