**DAILY MESSAGE OF THE GLORIFIED CHRIST JESUS, TRANSMITTED IN TAHLEQUAH, OKLAHOMA, UNITED STATES, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS**

### **Fiery Bases of a Community and Group Life - Part VI**

In group life, not only the spirit of the Community should govern, which is what strengthens it, but it is also necessary to watch over the unity among the members.

This unity neutralizes the differences and even the adverse feelings. The unity of the Community must be built out of love for God so that, in this movement of unity, consciousnesses may learn to recognize the best within themselves.

Without the unity of God present, it is not possible to carry forward the principal task of the Community, and, without unity, it is not possible to attract toward its members the spirit that unifies them and sees them as beings in equality and in harmony.

For this reason, the Community, through compassion, must manage to transcend the differences or the possible errors that may emerge. This does not mean to be omissive, it means to be just, equitable and neutral.

This is the great key for building a spirit of peace within the Community, just as the original peoples lived it from their origins and from their cultures.

The project of the Communities must be filled with principles that elevate all consciousnesses and build the new, everything that, from cycle to cycle, can be renewed and expanded.

The Community must practice continuous solidarity so that its members never forget the need of others, so that humility may prevail over the power or the authority that they may think they have.

In synthesis, the Community can only exist by staying always in the Heart of God, and, in His hands, constituting its principle and goal for which it was created.

The emptiness of the spiritual ego of a Community will avoid feeding expectations and solidify the power of altruistic service among members.

In this permanent exercise, the Community will be absolved of unnecessary tests and be able to be ready and encouraged to live offered to others, whatever the service may be.

I thank you for keeping My Words in your hearts!

Who blesses you,

Your Master and Lord, Christ Jesus
