DAILY MESSAGE OF THE GLORIFIED CHRIST JESUS, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

I will draw, to My Heart, souls that are unknown to you, and they will approach this Work through My intercession.

They will be like butterflies that will alight on the Flower of My Heart, or like bees that will drink the nectar of the living flowers of My Garden.

These souls will be withdrawn from the superficial life of the Earth, and with all of My Love, I will give them shelter so that they may have the grace of knowing, for a time, the Source of Divine and unfathomable Mercy.

I will place them in the ocean of My Love so that they may be purified and may receive the spiritual impulses that they need, like the rain that moistens the earth to make it fertile.

These souls will come from various places and paths, and I will guide them onto a single path; I will open the sacred door of My Inner Temple to them so that they may receive the blessing of the Divine Spirit.

Some of them will feel the impulse to totally consecrate themselves to Me; and others will feel the need to follow My Path until they are able to find for themselves the Fount of My Mercy and drink from it to nourish their essences.

It will be up to you to be attentive in order to learn to recognize the souls that I will send you to become part of My commandos, just as you now are, according to My Will.

I thank you for keeping My Words in your heart!

Who blesses you,

Your Master, Christ Jesus
