DAILY MESSAGE OF THE GLORIFIED JESUS CHRIST, TRANSMITTED IN THE LOCALITY OF SAO JOAO BATISTA, SANTA CATARINA, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Companions, I still carry painful thorns in my heart and I need you to remove them through your adoration, contemplation and prayer to the Sacred Heart of Jesus.

These thorns represent the mortal sins that the souls on Earth live due to ignorance, fanaticism and temptation provoked by My adversary.

I wish for you to dedicate a space from your day for the contemplation of the Sacred Thorned Heart of Jesus so that each prayer, sincerely dedicated to the Lord, may grant the grace for the angels to remove these most painful thorns from me, which men place in Me, offending God with their perversions.

Therefore, I brought you with Me to the south of Brazil so that the Sacred Thorned Heart of Jesus may be remembered by men, as I reminded it to Saint Margaret Mary Alacoque, because with this exercise I will have the authority, through the souls who contemplate Me, to save, at the end of these times, the consciousnesses that, in life, have already condemned themselves to the hell of terrestrial consciousness.

Each time a soul dedicates a moment of adoration, to the Sacred Thorned Heart of Jesus, I will be able to work in the world and dissolve the mortal sin of humanity.

From this moment, I thank the veneration from all priests and religious people for this important exercise of atonement and redemption of the degenerated humanity.

I thank you for keeping My Words in the heart!

Who blesses you,

Your Master, Jesus Christ
