APPARITION OF CHRIST JESUS DURING THE 55TH MARATHON OF DIVINE MERCY, IN THE CITY OF CAMPINAS, STATE OF SAO PAULO, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN

O Father! See, contemplate, and vivify the Kingdom of Your Love in Your creatures, which You, through Your Power, has sown, cultivated, and which has already awakened in the hearts of the world.

O beloved Father! Do not look at the sins, but rather the Work of Your Mercy that is strengthened with the faith, worship, and devotion of Your children.

Allow me today, Father, as Your beloved Son, to write in Your Book of Light the story, Lord, that You are writing through My humble Heart.

Beloved Father, shelter Your creatures in the Universe of Your Creation.

Shelter essences in the Universe of Your Love, so that some day all of them may become immaculate, as they once were in the Beginning, when they arose from Your Sources of Light, from Your Springs of Creation.

O Father! Do not look at the error of humanity, but rather the faithfulness of Your children who follow You, who believe in You, and who bless Your Sacred Name.

O Adonai! Father of Wisdom, expand Your Consciousness to the ends of the Universe, so that souls may awaken to the Sacred Principle of Your Knowledge.

Holy Father Emmanuel, Sublime and Divine Ruler of the Mental Universe.

O Father of infinite Creation!

O divine Thought of the Holy Manifestation!

Rebuild the essences that are wounded, remove from the hell those who are fallen, and with Your Power close the doors to evil.

Abba, Father of Illumination, Infinite and Divine Council, honorary and venerable Vessel, divine Emanation of Creation, Immaculate Source of Purity; descend upon this world with the Ray of Your Power and of Your divine Compassion.

Do not look at the errors of Your children or the mistakes of sinners. Look, Father, contemplate and glorify Your Heart with the burning flame of the Love in the heart of Your children.

Sacred hosts of Adonai, high and resplendent Parents, Emanations of the Creative Source, sacred Rays of God, awaken the gifts and the talents in those who listen to the Voice of the Master and Lord, so that the sacred missions may be defined and the divine talents awaken in those who wait to know of their evolution.

Father of Mercy and of Forgiveness, You made Yourself small and similar to us through Your beloved Son, Who incarnated among humankind to teach them love, forgiveness, and redemption.

Sacred Father of the Universe, You suffered for us at each step of the Passion, You shed Your Blood for the liberation of sinners, You spilled Your Water from the Side of Your Son to wash the most imperfect wounds, to redeem those who had fallen into perdition.

Sacred Father of Love, Unfathomable Source of Divine Grace, Sacred Sun of the Universe among all the suns that exist, eternal Star of God among all the stars that exist, manifest Your Project, Your Power, and Your Will on this so small and insignificant planet in the Eyes of the Universe.

You are so humble, Father, that You made Yourself small and incarnated the Spirit of Love and of Mercy in Your Son Jesus, to demonstrate to the world that it was lost, that it should resume its paths within the Paths of God.

O Sacred Source of Love! Healing, redeeming, and compassionate Essence, flow like an inexhaustible and inextinguishable fount in the hearts that accept Your call.

Because in this way, Father, I will be able to come from Heaven in Glory and in Light, when You so indicate, at the climactic hour of the Earth, when fire and sulfur are purifying the planet of its greatest sins, so that it may be worthy of Redemption.

Today, I come as the Lord of Gold and of Sulfur, so that through the elements, souls may be purified and consecrated to God.

O Sacred Father, heal the Sacred Mother Earth, Who suffers the consequences of Her children, both on earth and in the oceans; that suffers through each created element, through each Kingdom expressed in the Source of Your manifestation.

May humanity return to its origins, so that the Kingdoms of Nature, O Sacred Father!, may return to their origins.

Bring peace to hearts, Adonai.

Unify consciousnesses, Emmanuel.

Uplift humanity, Abba, so that one day it may perceive that it has left the path of Your Greater Purpose, so that before everything happens, a greater number of spirits on Earth may return to the Kingdom of Your Glory. Amen.

Empty your hearts before My Presence.

Blessed be those who weep in the Name of the Lord!, for they will be comforted for their suffering, sorrow, and pain.

Blessed be those who surrender to the Lord and trust in the call of Christ, of the King of the Universe!

Blessed be those who today are converted, ask God for forgiveness, and become reconciled with the Universe!, for they will be crowned in Heaven, before the Glory of the Father, the Son, and the Holy Spirit.

Blessed be those who leave the darkness to enter the path of the Light!

Blessed be those who love without expecting anything, without wanting anything, without desiring anything!, for they will receive into their hands the Scepter of God to feel the power of His Divine Spirit, transformer and redeemer, healer and liberator.

Blessed be the humble of heart, for they will appear written in the Holy Books of God, as part of this experience of redemption and mercy!

Praised be, Lord of the Universe. Blessed be you, Father of Creation, because once again Your infinite Mercy will surmount Justice, because in these days, the voice of Your children was heard by Your Heart.

May those who were dead in spirit and in soul rise up!, because the hour of salvation has come, and the Lord, Who is powerful and invincible, will bring to Earth His divine Kingdom to commune with His children, for all eternity. Amen.

May the sacrifice of the Lamb of God be re-experienced today for the forgiveness of sins and the establishment of the Father's Grace in all hearts.

All eat of It, for this is My Body, which was given for the salvation of sinners. Take and drink of My Chalice, for this is the Blood of the Lamb of God, which was taken to the slaughterhouse for the redemption of all the fallen.

O Sacred Heart of God!, which springs forth like a living and incandescent Flame, illuminate the paths of those who today enter into Your Kingdom, by the merits achieved by the Sacred Heart of Jesus.

After I died on the Cross and liberated the hell, the Lord rose again on the third day, and today, after three days, you are risen in spirit.

May you never forget these moments, because you will need them when the situation becomes more acute in the world. You must drink again of this knowledge, so that you may always be strengthened. My Hand will never let go, I will always try to take you to the Kingdom, so that you may be in the Arms of God.

Today I rise up to Heaven, closing this meeting for the next and great mission, in which I aspire that everyone accompanies it, as you have accompanied these days, with the simple faith of the heart.

Today, I have chosen a song that opens the Doors of the Heavens and also unites all Christians in their various manifestations.

Today we will give thanks to the One Who allows all things, praising His Name, honoring His Heart, exalting His Consciousness; because He is the Father of Love, the Father Who will carry you in His Heart forever.

Today, I will stay to hear the first words of this song; from the flame of the devotion of your hearts, I will take up the love, so as to be able to give it to the world, especially in Africa, the Far East, and Russia.

Song "Hallelujah".

I bless you under the Power of the Creator of the Universe and of the Earth, of the suns and of the stars, of the expressions of humanity and of essences.

In the name of the Father, the Son, and the Holy Spirit. Amen.
