DAILY MESSAGE OF THE GLORIFIED CHRIST JESUS, TRANSMITTED DURING THE JOURNEY FROM NAPLES TO TRIESTE, ITALY, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

At three in the afternoon, your Master and Lord turns toward the world to pour out His infinite and unfathomable Mercy.

It is the most important time for everybody, because it is the moment in which God stops to spiritually review the offering of His Son on the cross, and it is the moment in which spiritual expiation is granted and given to the most sinful amongst the sinners.

Thus, to invoke Mercy every day, and at this time, helps in the assistance and in the redemption on a global level, and in different regions of the Earth, in which Divine Mercy is necessary and urgent.

At three in the afternoon, it is when the angels, again and again, pour out the precious Blood of the Lamb of God in the form of tiny drops of light. This Grace is received by all those who invoke My Mercy.

I thank you for keeping My words in your heart!

Who blesses you,

Your Master and Lord, Christ Jesus
