DAILY MESSAGE OF THE GLORIFIED CHRIST JESUS, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

My Sacred Heart holds a special place for Argentina as well as for all of its people, which in this time of redemption must, through constant prayer and service, gain the impulse of Christic Light.

In each heart of Argentina a potential exists of being able to prepare and announce My Second Return to humanity.

For this reason, in this next month of August, you must have the bases prepared that your Master and Lord, through each heart of Argentina, will use to be able to come at the most acute moment of humanity.

Your Master and Lord has a special place in His Heart for Argentina, because it is a people that were greatly hurt and assaulted during the repressions of the last decades.

Because of the devotion and the faith of My servers of Argentina, in the month of August, I will also be able to intercede for the disappeared, and on the spiritual planes, carry to My Kingdom the most innocent souls which remained imprisoned in the hands of their political oppressors.

I will go again to Argentina to celebrate the victory of My Sacred Heart, in the essence of light of My companions.

I thank you for keeping My words in your heart!

Who blesses you,

Your Master and Lord, Christ Jesus
