APPARITION OF THE GLORIFIED CHRIST JESUS AT THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TRANSMITTED TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS DURING THE SECOND DAY OF THE 107TH MARATHON OF DIVINE MERCY

In the name of the Father, the Son and the Holy Spirit. Amen.

Discover within yourself the spiritual wealth that God has given you. A wealth that awakens the apostles of Christ in these times so that this world may be converted and redeemed through all those who have self-summoned to follow My unknown Steps, My Footprints that will guide you toward the Purpose of the existence of each being.

You must never forget the wealth of the spiritual universe that dwells within you, a spiritual wealth that God gave you in the origin and that, in this cycle, if you are open, you will find, come to know and grasp, because this is My ardent wish. This is what will allow the victory over evil. When consciousnesses awaken deeply and come to know their inner universe, with all its inexhaustible and eternal wealth, there will no longer be a reason for evil and suffering to exist in this world.

More than two thousand years ago, I taught you through the Parables about the wealth of your inner universe, but I also taught you to remain in the Law and respect it.

After such a long time, and before a suffering and agonizing world, I bring you today, My companions, the wealth of your inner universe, a wealth that has no stain or sin, because it is an immaculate wealth that comes from the Source of Creation.

This is why, at this moment, I ask you to take a step and enter the Void of God, in which the Law of Impermanence dwells, in which all is constantly renewed through the currents that the Higher Universe provides. This awakens in souls the gifts and virtues that they must live.

I ask for the presence in these times of the talents that I need. You should take the step. Because the Law of the Universe is perfect, the Law of the Universe is correct and abundant, and you will not lack anything when you dare to take the step toward your inner universe. Because in this way you will not only remember that you have an origin and a beginning, but you will also know the reason why you were created in the Genesis from the beginning, and even more, you will know your cosmic trajectory.

Today, I ask you to contemplate your good conduct and not your errors, even if the former is unknown to your minds and consciousnesses. This is possible through the impulse of the Fire of My Heart, because in these times, companions, I need all to know the history of Christ after His Ascension, which not only refers to the Sacred Book.

Has anyone in this world wondered what happened to Me after My Ascension?

I rose not only to the Father who is in Heavens, I also rose to the Universe where the Brotherhood is found, to merge in spirit with My companions, with all the Sacred Hierarchies that look after this Plan from the beginning.

That was where everything renewed itself, because not only the angels recognized My arrival in the Heavens, but the whole Confraternity also recognized the arrival of the King, Who, as from that moment, received the Scepter of the Government of God, which I sustain in humility and service for souls, as well as for all of Creation.

Therefore, enter this state of consciousness at this moment, through My Heart and through My Spiritual Portal, which, at this moment, is abundantly open to all.

Unite your essences to the Origin. Unite your consciousnesses to your inner universe and no longer feel as human persons, mental or emotional beings. Through My Presence, elevate your consciousnesses a little more and commune with the principle of your origins in this Creation, because at the center of your hearts shines the Star of the Brotherhood, which impels you to move forward in spite of the hard times. This Star encourages you to live the lessons with love and forgiveness and, despite the errors that the world may commit in these times, all those who were once up there in the Universe...

Friar Elías del Sagrado Corazón de Jesús:

At this moment, the Lord points to the Heavens.

... will remember once again who they truly are. Thus, you will understand that you are not only material, that you are spirit, soul and divinity united to the Source that always recreates and recreates itself. In these times, it recreates itself through lessons of love and redemption.

This is what I offer to you today, so that you may remember and know, so that you may keep in mind that I am waiting for you, in this coming trajectory of the Plan which must be written in your hearts, which must be expressed through your lives, through your unconditional surrender.

The Work of Redemption, the Work of My Return, the Work of My Divine and Unfathomable Mercy, will be fulfilled through adhered and united hearts. This is the rule and the request that I Have received from the Celestial Father Himself so that, through souls adhered and united to the Sacred and Unfathomable Heart of the Redeemer, the world may continue to receive Mercy rather than Justice, because the scales are imbalanced, inequality weighs in this world due to the action of impunity and power.

But do not forget, companions, that I Am in the Heavens, just as today I Am with each one of your hearts, defeating evil and making My Love triumph in the essences that are postulants to be Christified in these times.

Therefore, do not fear My challenges, do not fear My requests, do not fear anything. Because the one who lives in My Truth lives in the Light, and the one who lives in My Light lives in My Love, works and strives for this cause, and does not fear to divest themselves little by little, until someday you may even come to do what I did on the Cross: have My Heart absolutely empty, to surrender before God and drink from the Chalice of Sacrifice.

My Altars are still filled with Chalices of Light. My Altar waits for souls to present themselves to drink from sacrifice, not the sacrifice that the world has incorrectly taught you, but so that your lives may become completely sacred, so that I, someday, may dwell in you, and you may dwell in Me.

Do you aspire to take this great step?

My Heart opens in Mercy and Pity for all and, in solemnity and joy, I once again offer Myself to souls and to the world to redeem it.

In recent times, throughout all Sacred Weeks, I have told you many things. Do you remember them? Have you made them flesh in yourselves so that I may justify before the Eternal Father the imperious need to be here among you and your brothers and sisters?

It is time for the Christs of the New Times to be a reality and to no longer just be an aspiration of My Heart. Therefore, for as long as possible, at all possible opportunities, I give you My Life through the Sacraments, so that you may not only purify and purify yourselves, but also so that you may Christify yourselves before Me, through each priest that offers Himself to the Sacraments to consecrate souls, as an incalculable spiritual treasure, which I will carry in My Eternal Heart forever.

Do you believe that it is possible for your souls to be consecrated and that in these times when peace and love are lacking, there may be souls on the surface of the Earth that can express the spiritual treasure of God's Creation?

This is what I need in these times, because before the Law, the world has decided not to be worthy of Mercy. But My Unfathomable and Infinite Mercy, which springs from the deep Cores of your Master and Lord, continues to descend upon the world through the souls that invoke it, grant miracles where it is impossible to carry them out, attracts many Graces to those who would not deserve them and sustains the Spiritual Purpose of the nations of the world, although it does not seem to be so.

Therefore, I tell you, companions to be the Christs of the New Times, the Christs that your Christ expects.

As an example of My Love and My Mercy for all souls, I will give a Grace and, at the same time, an atonement so that hearts may be strengthened and, in this inner unity that you can live with Me, you may dare to take the step toward the total consecration of your lives, in the different degrees of consecration that you can live in these times.

Because the degrees of consecration of souls are the degrees of love that they can achieve in these times, to be converted into perfect shrines of the Lord, in which the merits of His Passion, Death and Resurrection may be deposited into hearts so that they may someday believe that they will be able to be sacred temples of My Heart, in this world in need of love and forgiveness.

Remember that all participate with Me in these times and that I hope that this place that you have in My Heart may always be protected from yourselves and from the world, because My Presence, in this place and throughout the times, is an extraordinary Grace of the Father which souls receive without perceiving it.

Before you can live union with Me, through My Body and My Blood present in the Sacrament of the Communion, in which the Lamb of God will surrender again for the whole world and especially for Brazil, through the sacred example of consecration, I will give strength to the hearts that need it.

Therefore, at this moment I ask those postulants to be helpers of My Mercy to present themselves at the foot of this Sacred Altar of Mine and for each one of them to carry upon themselves the veil that they will offer to Me at this moment, which they will place upon their hands as an offering.

I ask you to support this moment, companions.

My Most Holy Mother has asked Me to give you a Grace for all souls who are behind you at this moment and who will also need that Spiritual Grace in this cycle.

I have deeply known you for a long time. Therefore, I Am doing this so that, in trust, in love and joy, you may feel the plenitude of My Heart, which trusts in you again, just as My Heart trusts in all the helpers that have been consecrated to Me to serve Me.

I hope that this moment of consecration may be a renewal of this Branch of the Grace Mercy Order, because I also hope that you may be New Christs that respond to My call and serve Me wherever I need, in any part of the world.

Therefore, through you, I renew the spiritual and inner vows of the Branch of Helpers of Divine Mercy, because, My daughters, I still need that My Mercy continue to descend to the world, through the offering of your consecration to My Heart.

You may elevate your veils toward the Heavens so that I may consecrate them at this moment. I ask for the same from the other helpers already consecrated: lift your veils toward the Heavens, toward the Lord.

Most Holy Universal Mother,
to You, who have untiringly offered Your Most Pure, Immaculate and Eternal Womb
to bring the Redeemer to Earth,
I offer, at this moment,
the sacred offering of your daughters
and servers of the Altars of God,
so that You, Blessed and Most Pure Mother,
who gestate in Your Womb the New Humanity,
may have Your Graces and Mercies descend
upon this Spiritual Branch that I have consecrated in this Order,
so that the joy of tirelessly serving Me may always be in it.
Thus, may souls understand that serving Me is not just a commitment,
but it is also a duty to My Unfathomable and Sacred Heart.

Place this veil upon their heads, Most Holy Mother.
Consecrate those who are today postulants before My Feet,
and re-consecrate those daughters who already serve Me at this moment,
so that Mercy and Peace may be a Grace deserved by all.

Amen.

In the name of the Father, the Son and the Holy Spirit. Amen.

Behold the Heart that was pierced out of Love for the men and women of the Earth, and which offers itself to souls as a Blazing Flame of Love so that they may always learn to live in Christ.

Behold the alliance of the women of Jerusalem, that spiritual alliance which they received from My Heart and which sustained the steps from Calvary to the Cross in fidelity and in obedience.
