SPECIAL MESSAGE OF THE GLORIFIED CHRIST JESUS TRANSMITTED IN THE CITY OF BUENOS AIRES, ARGENTINA, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS, FOR THE 106TH MARATHON OF DIVINE MERCY

*We praise You, Lord, and we bless You,
for by Your Holy Cross, You redeemed the world.
Amen.
(three times)*

How many days and months have I counted to be here today.

How many days and months have I counted to be with each one of your hearts today.

You cannot even imagine what the wait has caused in Me, to be with each one of you, and I have been able to witness how, in just a few days, you were able to manifest all this for Me. Because, in truth, all that you offer to Me is for God.

Today I come with a gift from Heaven. Today I bring in My Hands an important Spiritual Treasure for humanity, which I Have brought, from the Middle East, for each one of you, for the spiritual purpose of this nation and for this dear people. Behold, companions, the Ark of the Holy Covenant.

Sacred Angels of Heaven contemplate this Spiritual Treasure. Patriarchs and prophets of old venerate it, and all beings of goodwill today recognize it as the Sacred Teraphim that will prepare the emergence of the New Humanity in this part of the planet, in all of the Americas.

For that reason, do not fear, behold the Sacred Treasure of God, in which each one of your lives can participate.

This is the Sacred Treasure that guards the treasure of the most important experiences of humanity, from the moment of Creation in Genesis, up to this very moment, when each one of you can feel yourselves as a partaker with Me, to contribute, to this Sacred Spiritual Teraphim, with which the next humanity and the New Earth will need. They need this Sacred Spiritual Teraphim not only to purify the planet, but also to again raise the Attributes of God on the surface of this planet. Attributes and Principles of the Sacred Ark of God that Argentina needs at this culminating moment, and that each one of you and your brothers and sisters also need, to learn to stand up in the darkness and courageously cross the abysses of consciousness, to say 'no' to the enemy, to make the Spiritual Government of God triumph in this nation and in the whole world.

This is what Argentina needs at this moment, just as the rest of the Americas need this. Because, in truth, I tell you that you will not find a solution in that which is horizontal. Rectify your lives towards the Heights and you will find the answer that you so much seek.

If you are listening to your Master and Lord today, after such a long time, while I was not able to come to Argentina as I so wanted, it is because I come, companions, to fulfill My promise, that each one of you may feel as a partaker with Me, consciously preparing My Return through your works.

Adherence and obedience are the great master key for Argentina. This will protect you from yourselves and everyone. On your paths, do not see those who are enemies but rather see those along your paths who need compassion.

Therefore, I Have brought this Sacred Teraphim before the presence of all so that you may remember it and venerate it. Because it is the same Spiritual Teraphim that many peoples of old contemplated and venerated, that many patriarchs and prophets sought, to feel in alliance with God.

I want the experience of your love and redemption to be, at last, in the Sacred Ark of God. And, although what I tell you may seem impossible, there is nothing impossible for God and for your Lord. Because if We are here today in Argentina, is it impossible for God to concretize it?

This sacred land holds many treasures that are part of the Sacred Ark. Places of Argentina where Our Feet will walk in Argentina, just as they have walked at other moments, and which keep many treasures that are a part of the Sacred Ark of God.

Rejoice and do not be afflicted! Turn your aspirations to this Sacred Teraphim of the Father. Trust what I tell you. A wonderful place awaits you in the Kingdom of God. Therefore, persist, and do not lose heart, be brave and have the courage to persist.

The Lord is capable of coming for His lost sheep.

The Lord is capable of leaving the Northern Hemisphere to come help you. I am Here, and My Heart does not change. My Heart is the Reliquary for all who aspire to live through Me.

I know that, as a people, you have lost heart. No one knows better than Me what you lived throughout the last two years and how each one of you has learned to carry their own cross in solitude. This effort that you can make for Me, to learn to live the cross of these times, is what can be kept as experience within the Sacred Ark.

By any chance, do you believe that this is possible?

If I Am here, at this very moment with you, it is to confirm it so that you may know that Our Sacred Hearts will travel a part of Argentina to re-ignite it. This will not be visible to the eyes of all, but the one who is truly attuned with Me will be able to see and recognize it.

The purpose of your lives must be immaterial life. Because the Spirit of God will come to help you, just as His Sacred Spirit descends at this moment, to straighten up that which is twisted, to correct that which has deviated, to bring peace to the indignation of many hearts. This is possible through the presence of the Sacred Ark of God.

Thus, today I anoint each one of you, through the powerful Sign of the Cross.

I also wish that My Helpers may anoint Me again, anoint Me with your surrenders, anoint Me with your renunciations, anoint Me with your fidelity, and, especially, anoint Me with your strict obedience. Because I have given something special to each group of souls throughout the latest times, and this must never be lost nor discarded. Therefore, value the Gifts you have received, which I come to collect in these times at the request of the Celestial Father.

These Gifts, called talents and virtues of the most honest and simple souls, will be that which will allow the Project of My Father to be fulfilled in South America. And they will allow the Father to

no longer expect His Purpose to be fulfilled, but rather that they will allow Him to see His Purpose concretized through His children, those who claim to be apostles of Christ.

Thus, I come to relieve the agony of many hearts.

I come to return to you the peace that some have lost.

I come to place My Hand upon your hearts to appease you. Because despite your battles and your imperfections, I am here today, in Argentina, because I believe in the love of each one of you, a love that can keep transforming and expanding. A love that not only recovers its innocence, but it is also a mature love that encourages you to follow the steps of the Spiritual Hierarchy, just as We do for you, without separating or distancing Ourselves, but rather by being present in the Sacred Silence of the Universe, where the Voice of God reverberates.

It is this Eternal Voice of Heaven that I want you to listen to within yourselves. The Voice of the Father who loves you, who sustains you, who nourishes you with His Spirit, who grants to you His Unfathomable Mercy.

Thus, I come to heal your wounds, the wounds of each one of you, but also the wounds of your people.

I know that many cannot understand why everything is so difficult. But all starts, companions, with that which you choose. That is where the result of your choices lies.

I know that many do not have anything to do with what Argentina and the Americas live, but never raise sword against sword. Raise your voices in prayer to the Heavens so that your Master and Lord may intercede, just as He intercedes at this moment.

Today, many of those who are present need to receive the Sacrament of the Anointing, because it is a visible sign of your belonging to My Kingdom, where no evil can touch you, although evil believes it can oppress or disturb you.

Today, I grant you My experience of the Cross, because no one has known more than Me what it is to be alone, while still not ceasing to trust Divine Will.

Extending My Arms and My Hands above Argentina, I come to pour out the Light of the universe, of the suns and stars, the Light of the Angels and Archangels, the Light of all those who live through goodwill and do not seek anything for themselves, but rather to be a spark of the Light of My Heart in this wounded world.

My Celestial Mother carries upon Herself the Mantle of Argentina so that the people may remember that I Am the Sun of God, which rises after a long dark night.

So that this meeting may yield its fruits, the inner fruits that all need to walk more decided and brave in these times, I can offer you all that I have, the most Sacred of the Sacred that I offered to the world such a long time ago: My Body and My Blood, direct emanations of the Mercy of God.

This will appease Argentina and the world.

May the Communion that We will celebrate right away again spiritually raise your homeland and may all feel under the Mantle of the Virgin of Luján, of the Sacred Lady of the Rosary of San

Nicolás, because She was the one who brought Me here.

A good son always obeys his mother, just as a good mother is close to her son, as Mary was up to the foot of the Cross.

May the powerful Five Wounds of My Body bathe, purify and illuminate your consciousnesses.

May the Powerful and Unfathomable Blood of Jesus rebuild the inner life of those present and of those who are not present.

By the merits achieved by the Ark of the Holy Covenant, may Argentina feel sustained by the Hands of God at this moment.

Because Love, companions, can always do all things, although it is difficult. Love allowed Me to come up to the Cross.

Dare to live the same experience, offer God that which you are and that which you do not accept. Do not forget that Argentina is part of My sacred flock.

Today, may many of those present feel the beating of My Heart, because in My Heart lies the Way, the Truth and the Life.

I love you and I love this country. I love the beauty of its mountains, I love the extension of its rivers and ocean, I love each part of this country, a Blessed Project of God.

May the Cross magnetize this country and, in the South, the North, the East and the West, may the ancient tribe of Israel rise and see the Sacred Star of Love shine in the firmament, the Sacred Star of the Brotherhood. Amen.

To prepare this moment, I will ask My daughter Lucía de Jesús to sing a song to all, because it is necessary that you may remember that My Word is Living Water, which quenches all thirst.

In the name of the Father, the Son and the Holy Spirit. Amen.

Let us sing.

Song: "Your Word is Living Water."

Friar Elías del Sagrado Corazón de Jesús:

Brothers and sisters, we will celebrate this moment of Communion, with our Master still present in this place, offering this moment for this dear and beloved Argentinian nation, offering this moment for the Ark of the Holy Covenant, present in the Hands of Christ, Our Lord.

With the permission and license that Christ has given to the priests, we will offer this moment of Communion as an act of reconciliation and forgiveness so that all of these people may receive what it so much needs. So that hearts, in the Presence of Christ, may again find hope, be freed from their ties and oppressions, feel the unfathomable embrace of God, who consoles us all.

With this offering, let us purify our hearts through the act of contrition before the Sacred Heart of Jesus, and let us repeat a very simple prayer that the Divine Messengers taught us, so that our inner temple, the most sacred place for God, may be prepared to receive this Divine Sacrament.

We repeat:

*I ask You for forgiveness, Lord,
for all that has been committed.
Grant me the Grace of liberation.*

*For the gift of Forgiveness
that springs from the Heart of God,
Lord, open the Doors of Your Kingdom for us.*

Amen.

Now, Christ will guide this celebration.

We prepare for this important moment, when the Graces of His Heart descend upon Argentina, upon hearts, as a flow of Light, as an inexhaustible wellspring that nourishes life.

We invite all those who can to kneel down or stand up.

Today, I gather you again around My Table, just as I gathered the apostles in the Sacred Cenacle. Today, this Sacred Cenacle are your hearts, which you can offer to Me in surrender and resignation, so that I can quench My thirst for souls.

Thus, I institute the Eucharist again, as on that Maundy Thursday, taking the bread in My Hands and elevating it to God, asking for His Unfathomable and Powerful Redeeming Love to transubstantiate the bread into the Glorious Body of Christ, for reconciliation and peace in Argentina.

Thus, I break it before you again, to tell you that this is My Body, which I gave for you, for the forgiveness of sins.

Friar Elías del Sagrado Corazón de Jesús:

*We praise You, Lord, and we bless You.
We praise You, Lord, and we bless You.
We praise You, Lord, and we bless You.*

Amen.

We revere the Sacred Body of Christ.

Just as in the Sacred Cenacle, I take the Holy Chalice in My Hands and, elevating it, I offer it to the Father for it to be transubstantiated into My Precious Blood. Just as I said to My apostles, today I say to you, "Take it and drink, all of you, for this is the Chalice of My Blood, the Blood of the New and Eternal Covenant between souls and God. The Blood that is shed today upon Argentina for the remission of all faults. Do this always in Remembrance of Me, for I Am now returning."

Friar Elías del Sagrado Corazón de Jesús:

*We praise You, Lord, and we bless You.
We praise You, Lord, and we bless You.
We praise You, Lord, and we bless You.*

Amen.

We revere the Precious Blood of Christ.

Behold the One who has given His Life for you, this is the Body and the Blood of Our Lord Jesus Christ.

May the merciful rejoice, for they will always attain Mercy.

In perfect unity with the Father, the Son and the Holy Spirit, we will consummate this celebration through the prayer that Christ taught us, by elevating our most sincere offering to the Father.

Prayer: "Our Father."

May the Peace, Love and Light of My Sacred heart descend upon you and Argentina.

Friar Elías del Sagrado Corazón de Jesús:

In an act of profound faith, let us pray:

*Lord,
I am not worthy that you should enter under my roof,*

but only say the Word, and I shall be healed.

Amen.

At the request of Our Lord Jesus Christ, we announce the Spiritual Communion of all souls of the world with the Sacred Heart of Jesus.

In a gesture of reverence and fraternity, we give one another the greeting of Peace.

Peace of Christ!

*Most Holy Trinity,
Father, Son and Holy Spirit,
I adore Thee profoundly.
I offer Thee the Most Precious Body,
Blood, Soul and Divinity
of Jesus Christ,
present in all the tabernacles of the world,
in reparation for the outrages, sacrileges and indifferences by which He is offended.*

*And by the infinite merits
of the Sacred Heart and the Immaculate Heart of Mary,
I beg you the conversion
of poor sinners.*

Amen.

I leave you with the Living Presence of My Being through the Eucharist. May this Living Presence, which is the Light of God, always be alive in your beings, and thus we prepare for this important Marathon of Prayer, during which all will be transformed and healed. Trust in this.

In the name of the Father, the Son and the Holy Spirit. Amen.
