TWELFTH CHRISTIC IMPULSE FOR LENT, TRANSMITTED DURING THE JOURNEY FROM BELO HORIZONTE TO THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Forty days with Jesus along the Lent path

"The one who serves and comes out of themselves, will attain liberation.

The one who does not seek anything in return, will attain redemption.

The one who, from the heart, gives of themselves for others, will attain transcendence.

The one who does not complain and only gives thanks, will transfigure themselves.

The one who obeys the Law and reverences it, will consecrate themselves.

The one who only seeks God as the only Path, will not suffer.

The one who is available under any condition, will be a true server.

Try every day to convert yourself a little more into the virtues of those who have clarity about what it is to serve Christ.

Decide to be a seed of the New Humanity."
