**SPECIAL MESSAGE OF THE GLORIFIED CHRIST JESUS, TRANSMITTED IN FATIMA, PORTUGAL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS, FOR THE FIRST DAY OF THE 130TH MARATHON OF DIVINE MERCY**

Look now, attentively, at My Divine and Glorified Body, revealing the nine hundred seventy-seven blows and flagellations I received for each one of the sins that I assumed out of Love in the Garden of Gethsemane.

Look at each one of the marks and stigmata that all the adverse situations of the world leave in Me today; however, My Heart, which is infinite in Love and Mercy, burns and at the same time overflows in eternal and inextinguishable Graces.

With devotion and reverence, look at how the very Body, Soul and Divinity of Christ humiliated themselves to grant, to the most sinful ones, all the Graces that souls need.

Before the ardor that My Heart feels, contemplate now how the situations of the world, and mainly of souls, leave Me almost naked once again; just as it was on the top of Mount Calvary when the soldiers, in their blindness and denial, cast lots for each part of the Mantle that covered the wounded Body of the Lord.

Imagine they would do this to Me again; I would no longer be able to bear it, not for the pains caused but rather for the denial still brought about by many before the offering of My Redeeming Love.

I wish to have new wineskins in My Hands so that the codes of My Blood and My Water may once again be deposited within the hearts that offer themselves to live their time of purification, just like the little Child Jesus lived it for you in the sacred offering of the Temple.

Remember that in the face of everything, even in the face of the unknown darkness of these dark times, the Law and the Light will always prevail. Because for the Law of My Father the impossible or unattainable does not exist, as long as His sacred people and each one of His creatures upon the surface of the Earth fulfill the Law and live in it, the Law that makes the spirit sacred and ennoble the consciousness that follows the Law as a fundamental guide for the spiritual path.

Therefore, keep watch in this crucial time, for the Lord draws near again to once more gather and unite His scattered sheep and some sheep that are lost in very superficial things.

Commune of this moment with Me and receive it as a Grace and an extraordinary amnesty for all those who, in war, persecution, exile and illness, experience injustice.

I Am the Light, and this Light, which is Christ, comes to you in the name of My Father, so that this inner and eternal Light, which is imperishable, may remove the gloomy crust of confusions, disappointments and differences; because I call you to be one in Me, so that your Master may be One in each disciple and servant; as I once told you in the Gospel: "In this world it is not possible to serve two lords, because the only omnipotent Lord is your God, Who is in the Heavens."

Do you now understand why I drew a line on the ground Myself? Did you understand the significance of this spiritual symbol?

I have come so that you may have abundant life, and this inner life, which I offer to you, is free of pretension, personal freedoms and unilateral decisions; because true freedom is granted to you in spirit, which will be the one to render its synthesis when one day it stands before the Celestial Father.

This Marathon of prayer is really different. I hope the presence of Mine may be deep, rather than passing, because I return here not only because you need it but also because all of humanity needs it, and I respond to the Great Eternal One in gratitude and obedience.

May the reencounter with inner life in each one be a reality that may emerge again, so that the life of the spirit may give you strength and renewal in the end of these times; a moment that is so necessary for each one to make their decisions with discernment and without too much haste, because the world is in the precipice for having abandoned communion with the Law and, above all, with the elevated feeling of gratitude, reverence and austerity.

I encourage you to go within the inner world and be in silence before My Truth, the Truth that I revealed to you last December.

I wish good and lasting peace to all of you.

The door of the Truth of God is open, who will recognize it?

I thank you for keeping each one of My Words within your hearts.

Who blesses you,

Your Master, Christ Jesus
