Message for the Special Apparition received in the city of Zagreb, Croatia, transmitted by Mary, Rose of Peace, to the visionary Friar Elías del Sagrado Corazón de Jesús

Dear children,

I come on this special day when your dear people of Croatia remember the Mother of God of the Stone Gate, so that your hearts and souls may now feel this moment of forgiveness of all the past and of all that has happened.

Today, your sweet Mother meets you to profoundly awaken you to the Love of God, so that your footprints of pain and of suffering may be erased by the balm of Light of My Heart.

My children, today I bring you the Grace of renewal for your people. This is the moment when God contemplates His people through the Divine Mother, and it is the moment when the Celestial Father will be attentive to the voice of your supplications so that, in consequence, He may pour out His Mercy and many more children may feel spiritually relieved of all that has happened.

As a Consoling Mother, I offer you the Gate of My Heart so that in this time you can feel the love of your Heavenly Mother. A love that will rejoice your wounded hearts, a love that will bring healing and redemption to your consciousnesses.

On this day, when the history of the old Yugoslavia will be piteously liberated by God, your hearts will receive the Grace of recovering faith in the Heights, and the Heights will descend upon you for the Purpose of the Father to be consummated, of recovering your spiritual dignity as children of His Eternal Heart.

Today, Heaven descends in glory through the Mother of God, and the Divine Lady places you in Her arms so that you may feel love, healing and forgiveness.

Elevate your hearts to Heaven and believe in your freedom. Everything will change, everything will transform, and what was painful in the past will no longer weigh because you, My children of Croatia, will attain Mercy.

Express your love. Unite with the Celestial Father. He waits for you with all the compassion of His Heart so that you may live peace and hope in these definitive times.

Encourage yourself to say "yes" to the new time, the time of Mercy.

I thank you for responding to My call!

Who blesses you and loves you,

Your Mother Mary, Rose of Peace
