DAILY MESSAGE OF THE GLORIFIED CHRIST JESUS, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Day by day, in view of the planetary situation and the spiritual and physical crisis of humanity, your Master and Lord contemplates the world with the aim of saving and helping it, although the majority rejects, even at this time, the second and glorious coming of your Savior.

It is only through an act of incommensurable and infinite love that God still sends His Mercy to the world in order to give even the last opportunities to His children, so that His blind, deaf and lost children see, hear and find again a spiritual sense for their lives.

For this reason, and for many others, Your Redeemer presents Himself at this time, in order to be able to open the eyes of those who still deny and reject the serious spiritual and material situation that humanity lives and faces.

Thus, all the efforts at this time are focused on the awareness and spiritual healing of the human being, whose life is a constant tragedy for having separated itself from God.

The action of Mercy is a path of salvation, capable of giving humanity the Grace of totally reconsidering. But this state of Grace will end, because the time of Justice will come to those who did not want to listen.

I thank you for keeping My Words in your heart!

Who blesses you,

Your Master and Lord, Christ Jesus
