DAILY MESSAGE OF THE GLORIFIED CHRIST JESUS, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

I have told you more than once that I could not work with those who have a tepid heart. And at this time I see that many hearts easily remain tepid, and in different moments they lose the fervor of being in Me.

In this situation, My Consciousness can only contemplate and hope that the tepid heart will define itself if it will remain in this condition or it will risk itself for Me to give a little more every day.

A tepid heart is a doubtful heart, not faithful, not reliable.

My Celestial Work cannot be in those who are tepid of heart, in people who act according to events, instead of acting according to unconditional love.

This is the time to reflect on this, because everything that hearts have already received directly from Me in the last years should not place you in tepidness/lukewarmness, because if so, My Work of Pity and Mercy would not be fulfilled.

It is in the heart of each disciple of Mine, the response to follow the Truth or remain in indifference.

There is no longer time to sustain those who are tepid.

May the flame of My Love heat you up and light within you the fire of determination.

I am waiting for you.

I thank you for keeping My words in your heart!

Who blesses you,

Your Master and Lord, Christ Jesus
