WEEKLY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE CITY OF LA CUMBRE, CÓRDOBA, ARGENTINA, TO THE VISIONARY FRIAR ELIAS DEL SAGRADO CORAZÓN DE JESÚS

One of the important aspects of God, within His Trine Source, is the Holy Spirit, an aspect that acted within humanity during certain occurrences with the aim of giving an impulse, of guiding and of helping the consciousnesses that were invoking it.

Until recent days, the Holy Spirit has not been a revealed mystery of God, which after having fulfilled Its mission, more than two thousand years ago, in this time Its manifestation, presence and action happens through the Mother of God, as the Lady of the Holy Spirit.

It is in this time that the Holy Spirit of God will work through the souls that offer to receive Its divine impulses and Its Gifts.

It would be of great importance if the human being were filled by at least one of Its Gifts, and this will help for the real task of each being to manifest, according to the necessity of the Divine Will.

The Holy Spirit accompanied specific events of humanity and, at the same time, It helped with Its science and wisdom in the culminating moments when only the Holy Spirit of God could deviate or reverse a fact that would happen.

Without the action of the Holy Spirit throughout the history of the human race, the planet, as a consciousness, that evolves and experiences, would have lost its spiritual dignity and its rescuable character.

For this reason, God sent His Spirit, in certain moments of humanity, to help His creatures, similar to Him.

God sent His Spirit to the patriarchs so that, from the peoples, the Gifts of the Father and His Virtues might arise, so that they could awaken the prophets and announcers of the Divine Truth.

God sent His Spirit so that His creatures, through Christ, might be baptized by the most potent non-material Fount, which is the Holy Spirit itself.

God sent His Spirit so that, from the main cell of His Project: the family, might arise the knowers and seekers of the Truth, so that the gifts and virtues of the healers, the governors, the mirrors, the hermits, the guardians and of the servers might awaken.

God sent His Spirit to repopulate the Earth with His infinite Love so that His creatures might learn to feel that the only guidance comes from the Eternal Father and that all Sources of manifestation emerge from the Father.

After two thousand years, during which the Spirit of God worked and became flesh among His children, through Christ, today the Holy Spirit will come by means of the Sacred Word to fill the

sleeping and darkened hearts with the same gifts that the apostles and martyrs received, with a confirmation and an absolute trust that, through the Holy Spirit of God, the Project will be fulfilled and nothing nor nobody will prevent It from acting through the children of God, and the Spirit of the Father Itself will allow that, for all participants in His work of Pity and of Mercy, the Holy Virtues of the Spirit of God can awaken and incarnate in the essence of His children, so that all talents and lineages may be at the service for this current crucial time of humanity. Because the one who opens and welcomes the coming of the Holy Spirit will have the inner force to represent the redeeming Work of Christ upon the surface of the Earth; will have the strength to proclaim the coming of the Kingdom of Peace and of the end of the planetary captivity; will have the impulse of faith to keep transforming their life completely according to this same spiritual model that the Celestial Father realized in the patriarchs and in the prophets.

God comes to give you His Spirit through the Divine Body and Blood of His Son and through the message that is announced by His Divine Messengers.

May the Holy Spirit help you face the end of times, within and outside of you; and may you be able to sustain yourselves, in this definitive cycle, through the action of the Holy Spirit of God.

May the Holy Spirit bring you the force of renewal and of changes.

I thank you for responding to My call!

Who blesses you,

Your Mother Mary, Rose of Peace
