WEEKLY MESSAGE OF THE VIRGIN MARY, ROSE OF PEACE, TRANSMITTED AT THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

For those who cry out, My Heart is present.

For those who live in the terrors of war, My Heart is present.

For those who are condemned and die under the impunity of the laws of this world, My Heart is present.

For those who cry out for peace, My Heart is present.

For those who are forced to live in exile and are discarded, My Heart is present.

For those who are persecuted because of their faith and their love for Christ, My Heart is present.

For those who lost the right to be born, My Heart is present.

For those who are under lies, impunity and control, My Heart is present.

For the Kingdoms that suffer in silence, that are massacred and sacrificed without awareness of what is truly happening, My Heart is present.

For those who no longer have a future, for those who lost everything overnight, their families, their homes, their hope and their joy, for all of them, My Heart prays and is present.

Where is the heart of My children at this moment?

Are your hearts present in all these situations, as is My Maternal Heart?

In order for you to have a heart present in everything, you must seek to have a mature heart, a heart capable of loving as Christ loved on the Cross, as He loved at each step.

If you have a present heart, you will know how to understand the lessons of life, you will know how to come out from yourselves, for all those who do not and who believe they are absolutely with My Son.

This is what God asks of the world today: that you be capable of having a heart present in everything, that you have a heart capable of loving and enduring the end of times.

I will pray that you may have a mature heart, present in all that, in this time of tribulation, is necessary to help.

I thank you for responding to My call!

Who blesses you,

Your Mother, the Virgin Mary, Rose of Peace, and Mother of the Present Heart
