DAILY MESSAGE OF CHRIST JESUS, TRANSMITTED TO THE VISIONARY FRIAR ELÍAS

For all those who have closed the doors, I will open them, so that they may enter My Redeeming Kingdom without delay.

Dear brothers and sisters:

The path to be treaded still is long and I only ask you that you keep the faith in your hearts kindled, because in this way My Heart will recognize the disciples and the apostles of the New Time.

Know that I do not get tired of calling you day by day to redemption, because if you are redeemed, all will pass and your souls will dwell with Me in joy, contemplating the Father by means of Creation. Do not delay in coming to Me, because I await you and I will always meet you keeping vigil with Me in the prayer of the heart. Feel My Peace, because I shall return to fulfill the promise of the end of time.

Under the Love of the Father, be blessed.

Thank you for keeping My words in the heart!

Christ Jesus.
