Daily Message of Mary, Rose of Peace, transmitted in the Marian Center of Figueira, Minas Gerais, Brazil, to the visionary Friar Elías del Sagrado Corazón

Dear children,

The simplicity of consecration, in this time, means the opportunity to humbly live in Christ.

Let today your inner aspiration be to find that simplicity, so that love and truth may be present in everything.

The consecrated life is something that My beloved Son greatly appreciates, for in each consecrated soul, the Lord finds the possibility of expressing His Kingdom through essences.

Today, let those consecrated seek inner simplicity, so that your essences may draw closer to Christ and Christ is able to draw closer to all His disciples of the new era.

Dear children, as the Mother of Consecrated Life, I accompany you on the path of faith, of perseverance, and above all, of the inner union of each soul with Christ.

I thank you for responding to My call!

Who blesses you under the inner Heaven,

Your Mother Mary, Rose of Peace
