MESSAGE FOR THE APPARITION OF MARY, ROSE OF PEACE, TRANSMITED IN THE COMUNE OF CASTEL VOLTURNO, CAMPANIA, ITALY, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Dear children,

My Heart of Mother returns to Italy, as in previous times, to bring to all of its people the Love and the Light of God. Love and infinite Light that you need as a society and religion in order to be able to live a transparent and true redemption.

For this reason, My children, I have asked the pilgrim group to come to Italy to bring this message from Heaven. Not only because your people must mend the faults committed against hundreds of immigrants, but also because you, having been people of immigration, should consciously work with forgiveness so that peace does not disappear within this nation.

I Am your intercessor and mediator Mother. I Am the Light that wants to take you to My Son so that, repented in your heart, you may profess your love for Christ and attain reconciliation.

But first, My children, this act of true repentance must begin within the Church of My Son. It can no longer keep hiding its acts and mistreatment because, otherwise, it will also lose the Peace and the Mercy of God.

No religious person has spiritual immortality. This is the time of massive spiritual illness in which My adversary infiltrates to destroy and tempt many priests.

In Akita, La Salette and in Fatima, I announced about the need for all to return to God as soon as possible, so that you could see His Face of immense Mercy and Forgiveness. But many did not listen to Me.

I returned once again to the world, through Medjugorje, to announce to you that through the donation of My Heart you would attain peace and less than a quarter of humanity put into practice what I had said.

In order not to lose My children, I returned once again to the world, but this time on a key date, August 8, 2007, a day in which I brought to humanity the revelation of the Universe and of its mysteries, and ardently asked for My Voice, Soul and Heart to be taken to the entire world by means of the Pilgrimage of Peace.

Many have welcomed me and keep doing so, and the consciousness of hundreds of souls in the world keep awakening. But the Church sacrificed Me completely, judging My presence

and closing the doors to My universal message of peace.

This was the test for this religion, that of recognizing the ever-Virgin Mary, Mother of the Most High, or of denying Her with defamation and lies.

But the perpetual and maternal Light of My Heart has prevented My aspiration from being interfered with. Because behind the chaotic and grave scenarios in the Church and in the world, Your Heavenly Mother has created a powerful network of planetary prayer formed by all the praying beings of the Earth. A network of prayer that, until today, sustains and maintains, by means of the heart of each child of Mine, the spiritual and divine mission of the Mother of God in humanity.

The ecumenical movement of prayer that I Myself have founded on the surface of the Earth, through the prayer groups, is the one which allows the pilgrimage for the nations of the world and for the Voice of the Heavenly Messengers to be spread in all languages and to all peoples, so that no child of Mine remains without hearing Me.

For this reason, My children, I am returning once again to Italy to grant it the Grace of reconciliation and of the imminent forgiveness that it needs.

Everything that will happen in the meeting of prayer today will be the result of an immense love for God and for His Divine Lady.

There is still time to reconsider and amend yourselves. Do it, My children!

I thank you for responding to My call!

Who blesses you,

Your Mother Mary, Rose of Peace
