MESSAGE FOR THE SPECIAL APPARITION IN THE CITY OF BARCELONA, SPAIN,  
TRANSMITTED BY THE LADY OF THE MOST HOLY ROSARY TO THE VISIONARY FRIAR ELÍAS

**The Restorative Promises of the Most Holy Virgin**

Continue to pray the Rosary every day, because in this way as I have once asked in Fatima, now it is asked of you.

My dear children, if you do this there will be a greater time of peace between your hearts and the world; My Maternal Peace will especially fill the souls that have given up the path of consecration to God.

I pray day and night for you; in this time I promise great Graces to those who seek God by means of the power of prayer. If humanity does not pay attention to My requests a more difficult time will come to all, the world will be darkened rapidly and many will not be able to see the light of the sun.

But, if on the other hand, the souls that today live on the Earth - I want to say all the hearts - are united to My Heart as only one spiritual people of God, especially if all the religious leaders establish the ecumenism of Christ, I promise that before the coming of My Holy Son many souls that are imprisoned and dead in life will know who they are and where they have come from, as they will also know what they have been born for in this time.

But if all the religions do not accomplish My request, unjust spiritual decisions will fall over many and humanity will remain without spiritual instruction. So that this does not happen, I come in this last time to ask for the consecration of all My children to the Immaculate Heart; whoever does this under the immaculate spirit of peace, I promise to wait for them at the doors of the next world, that is, in paradise.

Those hearts that soon repent and seek the restorative communion in the next five first Saturdays of each month, will be blessed by the strength of the Holy Spirit; such hearts will shine with light before darkness, they will be Christic hearts.

I wish from now on that all listen to My call, because if humanity does not stop committing bad actions, especially upon the kingdoms of nature, the law that comes from the Heights will re-ordain the planetary life and many will suffer what they did not deserve, by the work and the action of the non-believers.

I promise to whoever prays from the heart every day, that it will help Me in the awakening of faith and peace in those who have lost it, especially in those who have never been open to see the Light of Christ.

I ask in this age a special devotion to the Most Holy and Merciful Heart of Christ; to whoever professes and lives it from the soul and from the heart, I promise that I will not forget their soul at the time of death. Also in the last hour of life, I will anoint with the Olive of Life all of their family and My Son will not be their judge, but their intercessor before the Most High.

Whoever accomplishes My requests will be able to form part of My Sacred Marian Army; I come to awaken the sleeping consciousness of humanity, I come to say that the time of Apocalypse has come.

A greater time of Grace and Mercy will come to the whole world, if only it accomplishes to the letter each one of My requests. If any of My requests should not be contemplated, humanity will finally know the hidden and eternal cause that has condemned it to the fire of hell.

But if there were a spirit of perseverance, of faith and of joy from your part, I promise you that I will help you even in the difficult moments, because through the power of My Son I will liberate you from all evil.

Attention to My words, because My Maternal Love will come to help all of those who will be surprised by unusual human news.

Now it only is necessary for you to look towards God and contemplate His Majesty through the Sacred Hearts. I only ask you that you meditate on all that I have said to you, because I will not be able to repeat it again.

I bless all of Barcelona and I thank you, because another city has answered to My call!

I wait all of you on the 21st of May for a special blessing.

Peace for all, now and forever!

Mary, Mother of the Most Holy Rosary and Prophetess of Peace
