DAILY MESSAGE OF THE GLORIFIED CHRIST JESUS, TRANSMITTED IN THE CITY OF BUENOS AIRES, ARGENTINA, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

There are certain mysteries that come from God and that are a part of His Will.

The soul that loves them will one day be able to understand them because, in essence, those mysteries are the revelation of a spiritual destiny for the coming times.

These mysteries, which gradually take form and are established, are safeguarded and protected by the Creator Source so that, when the desire of God is to reveal them and show them, they may be led by the impulses of the original Source.

There are many Sources of Creation that exist in the Spiritual Universe and all of them serve a Greater Source that is called the Creator Source, from which all the divine and cosmic impulses arrive, which form a sector of the Universe because the other Sources feed and spiritually guide other principles, in other Spheres of the Universe.

The time will come in which the Source of Creation will place the planet Earth within the system of Universal life, which has been expected to happen for quite some real time, and this event will occur as the inner Christs are awakening.

I thank you for keeping My Words in your heart!

Who blesses you,

Your Master and Lord, Christ Jesus
