**DAILY MESSAGE OF MARY, ROSE OF PEACE,**

TRANSMITTED IN THE PARK OF THE MOUNTAIN OF MONTSERRAT, BARCELONA, SPAIN,  
TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN?

When you truly ask God for forgiveness and your heart repents, He, Who is powerfully loving, will grant you His Mercy and you will again be in the place where He always expects you to be. The Forgiveness of God is granted when the soul opens its heart to the Universe and supplicates for mercy.

This world is a school for everyone; it is a path that always leads to a definition and to a greater surrender.

The Father expects all His creatures to live acts of true repentance so that arrogance and spiritual pride will vanish from the human consciousness. Because of this, dear children, I try to take you every day as close to My Son as possible so that your lives never lose the thirst for drinking from the sacred fountain of His Love.

If all souls knew how much love and mercy we have for the world, the surrender of hearts would be a reality on the whole planet. This is the reason why I come, as the Mother of sinners, to liberate you from the error and the deception that the inhabitants of this planet have created.

Today I invite you to carry out an act of forgiveness and of reconciliation so that the majority of My children, some day at least, may be touched by the light of the Celestial Universe, awaken from sleep, and accept the sacred call to live redemption; thus I shall form new apostles, servants of Christ the Redeemer.

I thank you for responding to My call!

Who loves you,

Your Mother Mary, Rose of Peace
