Special DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED AT THE MARIAN CENTER OF AURORA, PAYSANDÚ, URUGUAY, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN??

My children,

Today I present a request of immediate assistance and help from all those who pray and the servers of the whole world, for My Marian Center of Aurora in Paysandú, Uruguay.

On the verge of a great planetary transformation, the Marian Center suffered from one of the more than a thousand climactic effects of the end of times, effects that will be generated through the great mental and emotional imbalance of current humanity.

For the first time, the Marian Center of Aurora faced the effect of the union of times; this means a shock of light between the old current time and the eternal Real Time of the universe. This event, unexpected for the laws of the Earth, activated a principle that, from now on, will be experienced by all of humanity.

Children, I would like to announce to you that, on the verge of one of the most important meetings of prayer of the last fifty years in the spiritual life of humanity, My consciousness of Mother is praying, protecting and safeguarding all the brothers and sisters present at the Marian Center of Aurora.

Today I am especially calling upon everyone to participate in a study of the Redemption House Association about the next steps that will be taken in the face of the event taking place in the region of Aurora.

This situation is a wake-up call for all participants in the Work of the Divine Messengers, to remind you of the importance of manifesting the auditorium of Mercy, which, in the Plans of God, is destined to carry out meetings for the spiritual healing of humanity.

It is for this reason that the Marian Center of Aurora, starting in the next hours, will begin to rearrange the task that had been foreseen for the days of August.

Thus, I ask, in the name of My Son, that the doors of the Marian Center be opened to receive the necessary humanitarian help, which will allow the adjustment of the program foreseen in the organization of the next prayer meeting of August.

Children, I have come from Heaven to ask for the special collaboration of all My children so that this important meeting, which Heaven hopes to move forward with on the grounds of Aurora, may take place.

In this way, the humanitarian help of the servers and the spontaneous donations of all for this meeting will make it possible for it to occur as had been foreseen.

The Marian Center, My children, has a large heart for receiving you, but up until today, it does not have the essential spaces to harmoniously accomplish the task of the Divine Messengers.

In the face of these planetary times, that will take place in humanity, certain sacred spaces at the Marian Centers must be preserved and safeguarded so they do not become the object of a contrary plan of My adversary.

Dear children, today the Father calls all of you towards inner neutrality, but also to be aware, just as you have demonstrated to the Divine Messengers in these last months.

I wish to announce to you that today, July 31 of 2015, at 8 p.m. Uruguayan time, a special update will be transmitted about the current reality of the Marian Center of Aurora and about the next steps which all are invited to participate in.

So that the next Marathon of Divine Mercy may be possible, the House of Adoration and its surroundings will be reorganized, as well as the other spaces of Redemption House, to be able to receive the number of pilgrims that is arriving at Aurora.

For this reason, in the face of a reality that will take days to be resolved, the Marian Center must receive the collaboration of everyone to be able to move forward with the task. From the Heart of My Son, I will be grateful for the prompt response of all My children of the world for this emergency situation.

Heaven foresees, as from the first days of August, carrying out a task of redemption and reconciliation for all those present. For this, certain spaces, which must be reconfigured by your own hands, will need the help, donations and the service of all My children.

In this anniversary and celebratory year, Aurora cannot be left without blessings and Graces for everyone.

Be prepared for the prompting and for the command of your heart, united with your Heavenly Mother of the universe, in the necessary and urgent Peace for the end of times.

I thank you for responding to this special call!

Your Mother Mary, Rose of Peace
