DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN BAHÍA LÓPEZ, BARILOCHE, RÍO NEGRO, ARGENTINA, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

With the Light emanated by the Mirrors, your Heavenly Mother can bring to the planet the ruling Principles of the Consciousness of God, and from the Mirrors of Light, pour out these inner attributes into the consciousness of humanity.

With the Light of the Mirrors, your Heavenly Mother can dissolve the contrary forces that impede the awakening of humanity.

With the Light of the Mirrors, your Heavenly Mother can grant the spiritual healing within souls so that afterward material healing may occur.

With the Light of the Mirrors, your Heavenly Mother can regenerate the consciousness of humanity and withdraw it from spiritual illusion so that hearts may find the Christic path.

With the Light of the Mirrors, your Heavenly Mother can encompass large regions of the planet, and from the most natural and sacred places of Creation in this world, She can help elevate the consciousness of human beings so that they may awaken to their inner reality.

With the Light of the Mirrors I can reflect upon the planet all the Love of God, so that souls may feel and perceive that it is time to change, so that the world may change and the entire Earth may be redeemed.

I thank you for responding to My call!

Who blesses you,

Your Mother Mary, Rose of Peace
