DAILY MESSAGE OF THE GLORIFIED CHRIST JESUS, TRANSMITTED IN THE MARIAN CENTER OF AURORA, PAYSANDU, URUGUAY, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

When the Hierarchy is present, some divine and cosmic doors remain periodically open, because the Hierarchy itself can accompany this movement.

And so the doors remain open to help or assist in some need that must be resolved through the assistance that comes through these doors.

When a need is resolved, by this assistance and support, the doors close and only open again when the Consciousness of the Hierarchy that guides it works with Their thought.

At this time, in certain places of the world, where no Sacred Enclave exists that can support an intense task upon the surface, the Hierarchy opens doors so that the necessary help may come forward and the needs can be resolved.

Thus, they are momentary doorways that collaborate in a specific task so that the Plan may continue to be fulfilled, as it is fulfilled throughout time.

But now, each being must maintain an inner contact within themselves so that they can survive the challenges of these times.

I thank you for keeping My Words in your hearts!

Who blesses you,

Your Master and Lord, Christ Jesus
