Daily message of Mary, Rose of Peace, transmitted in the city of Lisbon, Portugal to the visionary Friar Elías del Sagrado Corazón

When My Mother Heart visits every house on Earth and they open the door of their inner home to receive Me, I pour out all the Graces of Heaven and I establish in the hearts that receive Me, the Gifts of My holy Peace.

Every house I visit, I consecrate it, sanctify it and establish a point of Light for the world, a place where prayer can be found and where souls will be strengthened after I have gone through there.

Thus, dear children, in every house that I visit I create an oratory of Peace for the world and I pour out a Gift that will invisibly sustain all the lost consciousnesses in need of it.

This way, My dear children, through all the houses that I have visited in the world, I can create a great network of Light and of prayer that radiates the fruitful principles of goodness and peace through its potent energy.

Thus, every day, when My children pray in their consecrated houses, this flow of Grace and Redemption is spiritually reactivated for the whole planetary consciousness.

I establish in each spirit that opens the door of their house to Me, an inner consecration that is distinguished by the angels of the universe who, together with the souls, work to sow the peace so necessary in these times.

The oratories that I create for My children are spaces where My Divine Consciousness can be present to work in their own family and in all those who need it.

I thank you for responding to My call!

Who unifies you,

Your Mother Mary, Rose of Peace
