**WEEKLY MESSAGE OF THE VIRGIN MARY, ROSE OF PEACE, TRANSMITTED IN FÁTIMA, PORTUGAL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS**

My beloved and dear children,

In these days, something profoundly anonymous and significant happened for your Father God. It was the selfless and humble service that four of His missionary children rendered for the good and for peace in My beloved nation of Turkey, where your Heavenly Mother lived, in recollection in Ephesus, the synthesis of the Sorrowful Passion of Jesus, after My Son ascended to Heaven.

In this gesture by such young missionaries, representing the code of Love of the Hierarchy in a world and society hypnotized and anesthetized by indifference and material ambition, the anonymous service of My four missionary children elevated the souls of the Middle East to the dignity of redeemable souls.

I want you to understand from the heart what this means, My children, in the face of a desolate scenario in the Middle East, a Middle East destroyed by the use of power, of weapons and by the war that has sacrificed hundreds of innocent people and mainly children.

Do you know what it means for God to hear or see a child die in a war?

How much longer will there be so much impunity and evil, beloved children?

That is why today My Heart is a little relieved to see all that sacrifice for Christ, by only four brothers and sisters, which is worth more than all the money and prestige in the world.

Be aware of this and recognize, once and for all, where you are, filled with Graces, and in the sacred spaces where you are.

Children, no longer allow ingratitude to control you and divert you from the path. The Heart of God is suffering for this cold and cruel world. I invite you to value, out of love, all that you have and to value it for all those who no longer have anything and have lost everything.

This is the time of Judgment, when everything will be shown so that souls may decide which path to follow.

My Heart is the refuge for the afflicted.

In the name of My Son, I am grateful for the courage, resignation and love of My four missionaries of peace in Turkey.

May God bless them always. Let us pray for those who serve in all missions, so that the Love of the Living Christ may be the strength of will in the face of so much desolation.

I thank you for responding to My call!

Who blesses you,

Your Mother, the Virgin Mary, Rose of Peace
