DAILY MESSAGE OF SAINT JOSEPH, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY SISTER LUCÍA DE JESÚS

More and more, child, seek to imitate the emptiness and the nothingness of your Lord.

Allow yourself to be an instrument in the hands of God and it does not matter if you are lifted up and acclaimed, it does not matter the sacrifice and the weight of the cross, the humiliation, the solitude or the abandonment.

Allow your consciousness to penetrate into the truth of every event. While you serve and your service is lifted up before the eyes of humankind, may your heart be placed in the truth that everything you do is for the manifestation of the plan of God on earth.

And when the Lord asks you to renounce, or gives you tests and humiliations that forge within your being the unity with him and the inner emptiness, allow your consciousness to be molded according to His will.

Know that all the great deeds, as well as the great renunciations, build the plan of God with the same intensity, just as your Lord, who began to build a bond with the souls upon the mounts, amid miracles, but consolidated the covenant between humanity and God, empty of Himself, on the cross on Calvary.

Deepen every moment in your surrender and in the sense of the truth of your faith so that you always remain in this truth.

The situation of the planet will place many tests, misunderstandings and challenges in your path, but your heart must be in the Christ of Calvary, empty, with Him, going through the Passion of this world to culminate as a chalice full of God poured upon the Earth.

You have My blessing for this.

The Most Chaste Saint Joseph
