Daily Message of Mary, Rose of Peace, transmitted in the Marian Center of Aurora, Paysandu, Uruguay, to the visionary Friar Elías del Sagrado Corazón

Dear children,

I am Holy Mary of the Rosebush, for in My garden I cause all life to bloom and essences are reborn to their sacred task.

I am Holy Mary of the Rosebush, because, in My garden, I renew all things, and souls receive the Grace of being with Me.

I cause your hearts to sprout again, just as I cause the roses of My garden to sprout again so that all devotion is directed to the Creator.

I am Holy Mary of the Rosebush, and I take care of each detail, of each flower that is born in praise to God.

I am Holy Mary of the Rosebush, and I guide all consciousnesses that always pray with Me so that, in this way, they may express their inner beauty.

I am Holy Mary of the Rosebush, and I follow each step taken by My children, which is a beautiful rose that is offered at the altars of God to confirm the triumph of His Will.

I am Holy Mary of the Rosebush, and I protect My children from all adversity. I do not let anything bad approach while within them only the path and the school of prayer exist.

I am Holy Mary of the Rosebush and I present all your intentions before God so that in this way the Father pours out His Graces upon all His children.

I am Holy Mary of the Rosebush, and from all the disciples of Christ I expect a profound living of the redeeming Love of Jesus.

I am Holy Mary of the Rosebush, and in My care lies all the souls that wait for Me.

I thank you for responding to My call!

Who blesses you,

Your Mother Mary, Rose of Peace and Mother of the Rosebush
