DAILY MESSAGE OF THE GLORIFIED CHRIST JESUS, TRANSMITTED IN THE MONASTERY OF THE CONFRATERNITY OF THE LORD, GUATAVITA, CUNDINAMARCA, COLOMBIA, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

They not only want the Amazon to disappear, but also, with the social crises, they want to unbalance the nations of South America and of Central America by means of ideological plans that are now being applied in which, up until today, there is no fidelity or transparency on the part of the leaders toward the peoples.

For this reason, the Sacred Hearts, with the extraordinary assistance of the Most Chaste Heart of Saint Joseph, will be preparing, in the Celestial Planes, to enter again into the nation of Colombia, which others also want to unbalance, through a condition of hostile creation and thought.

In truth, the maximum Hierarchy of the Universe will be mobilized after the important meeting in Manaus, Amazonas, to give spiritual assistance to three Andean nations: Colombia, Ecuador and Peru; as in these recent times they have been the scene of manifestations and social rebellion, which only move toward tragedies.

Venezuela was the doorway so that South America, as a future cradle of the New Humanity, would be brought into imbalance.

For this reason, the Divine Hierarchy appeals to all beings of goodwill who believe in the Celestial Father and in the concretization of the Divine Plan, to become mobilized, within all of South America and beyond it, to materialize the next Pilgrimage for Peace in Colombia; as after the last 8th of August, the work as a whole has taken on attending to and aiding in planetary situations rather than regional or local situations.

So that this wave of imbalance in South America, generated by the exploiting countries of the first world, not end in a continental situation, I come to ask you for your collaboration, and I will also come to ask Colombia to become consecrated to the King of Peace so that an extraordinary Grace may appease the future anguish and desolation of the Andean peoples.

As from now, I am thankful for the adherence and the awareness of all.

For this, the Most Holy and Pure Mother, Queen of Chiquinquirá and Lady of the Apocalypse will also come to ask you for the re-consecration of Colombia, Ecuador and Peru to the Immaculate Heart of Mary.

If Her request is not attended to, worse and bloody happenings will come, which will be seen by the entire world.

There is still time to stop it.

I thank you for keeping My Words in your hearts!

Who blesses you,

Your Master and Lord, Christ Jesus
